

Composites Materials: Fabrications Handbook #1

Chapter One	
Composites Basics	6
Chapter Two	
Matrices and Reinforcements	14
Chapter Three	
Health and Safety	32
Chapter Four	
Setting Up Shop	36
Chapter Five	
Composites Molding Basics	52
Chapter Six	
Composites Fabrication Techniques	72
Chapter Seven	
Demolding Techniques	100
Chapter Eight	
Finishing Techniques	116
Glossary of Terms	139
Additional Readings Resources/Catalog	142
