

Composite Materials Fabrication Handbook #2

Chapter One	
Designing Moldable Composite Parts	6
Chapter Two	
Composite Tooling Fabrication Techniques . . .	16
Chapter Three	
Compression Molding Techniques	42
Chapter Four	
Vacuum-bag Molding Techniques	54
Chapter Five	
Pre-preg and Expandable Insert Molding Techniques	82
Chapter Six	
Inflatable Bladder Molding Techniques	102
Chapter Seven	
Resin Transfer Molding Techniques	124
Conclusion	141
