

Composite Materials Fabrication Handbook #3

Chapter One
Making Composite Copies
of Existing Parts *Page 6*

Chapter Two
Spray-up Techniques *Page 30*

Chapter Three
Advanced Plug-making
Techniques *Page 44*

Chapter Four
Alternative Composite
Molding Techniques *Page 68*

Chapter Five
Prototype Composite
Molding Techniques *Page 84*

Chapter Six
Repairing Composites *Page 100*

Chapter Seven
An Overview of
Structural Composites *Page 112*

Chapter Eight
A Composite Analysis Primer *Page 130*

Chapter Nine
Conclusion *Page 140*

Sources/Catalog *Page 142*
