

Contents

Section I

Development and Maturation of the Craniofacial Region

- | | |
|--|---|
| 1 General Human Development..... 2
<i>James K. Avery and Nagat M. ElNesr</i> | 3 Development of Cartilage and Bones of the
Craniofacial Skeleton..... 44
<i>James K. Avery</i> |
| 2 Development of the Pharyngeal Arches and Face..... 21
<i>James K. Avery</i> | 4 Postnatal Facial Growth, Birth through Postadolescence.... 61
<i>Carla A. Evans</i> |

Section II

Development of the Teeth and Supporting Structures

- | | |
|---|---|
| 5 Development Of Teeth: Crown Formation..... 72
<i>Nicholas P. Piesco and James K. Avery</i> | 7 Tooth Eruption and Shedding..... 123
<i>Nagat M. ElNesr and James K. Avery</i> |
| 6 Development of the Teeth: Root and Supporting
Structures..... 108
<i>Nagat M. ElNesr and James K. Avery</i> | 8 Agents Affecting Tooth and Bone Development..... 141
<i>James K. Avery</i> |

Section III

Structure and Function of the Teeth

- | | |
|---|--|
| 9 Histology of Enamel..... 153
<i>Nicholas P. Piesco and James Simmelink</i> | 11 Histology of the Pulp..... 190
<i>D. J. Chiego, Jr.</i> |
| 10 Histology of Dentin..... 172
<i>Nicholas P. Piesco</i> | 12 Comparison of Primary and Permanent Teeth..... 213
<i>David C. Johnsen</i> |

Section IV

Structure and Function of Supporting Tissues of the Teeth

- | | |
|--|---|
| 13 Histology of the Periodontium: Alveolar Bone,
Cementum, and Periodontal Ligament..... 226
<i>James K. Avery</i> | 15 Histology of the Gingiva and Epithelial Attachment..... 263
<i>James K. Avery</i> |
| 14 Histology of the Oral Mucosa and Tonsils..... 243
<i>Donald S. Strachan and James K. Avery</i> | 16 Innervation of Oral Tissues..... 274
<i>Daniel J. Chiego, Jr., Dennis F. Turner,
and Donald S. Strachan</i> |

Section V

Structure of the Glands of the Oral Cavity and Their Products

- | | |
|--|--|
| 17 Development, Structure, and Function of the
Salivary Glands..... 292
<i>Robert M. Klein</i> | 18 Histology of Saliva, Pellicle, Plaque, and Calculus..... 331
<i>James K. Avery</i> |
|--|--|

Section VI

Related Functional Tissues of the Oral and Paraoral Areas

19 Histology of the Nasal Mucosa and Paranasal Sinuses.....	341	21 Histologic Changes during Tooth Movement.....	364
<i>Geoffrey H. Sperber</i>		<i>Carla A. Evans and James K. Avery</i>	
20 Structure and Function of the Temporomandibular		22 Histology of Endosseous Implants.....	375
Joint.....	353	<i>Robert B. O'Neal and Marion J. Edge</i>	
<i>James K. Avery and Sol Bernick</i>		23 Wound Healing.....	390
		<i>Francisco Rivera-Hidalgó</i>	
Glossary.....	410		
Index.....	427
