Introduction	x

## *PART I The Dental Operating Microscope 1*

- 1** Operatory Design and Ergonomics for Microscopic Endodontics 3  
*Gary B. Carr*
- 2** Setting Up Your Dental Operating Microscope for Photography 17  
*Scott K. Bentkover*
- 3** Setting Up Your Dental Operating Microscope for Videography 29  
*Scott K. Bentkover*
- 4** Photodocumentation for Endodontics 41  
*Jeffrey B. Pafford and Keith G. Kanter*
- 5** Training an Assistant to Work Under an Operating Microscope 46  
*Michael Trudeau*

## *PART II Cone Beam Computed Tomography and Endodontics 53*

- 6** Incorporating CBCT Imaging into Endodontics 55  
*Gary B. Carr, John Khademi, and Richard Schwartz*
- 7** Clinical Applications of CBCT Imaging in Endodontics 71  
*Sashi Nallapati*

## *PART III Nonsurgical Endodontic Procedures 87*

- 8** Access Cavity Preparations 89  
*Pushpak Narayana*
- 9** Working Length 104  
*Mike Gordon*
- 10** Preparation of the Root Canal System 109  
*Steven Baerg and Eric Herbranson*
- 11** Clinical Management of Calcified Teeth 120  
*Sashi Nallapati*
- 12** Clinical Management of Severely Curved Canals 130  
*John E. Levin*
- 13** Obturating with Gutta-Percha Master Cones 136  
*Scott A. Martin*
- 14** Obturation with High-Temperature, Thermoplasticized, Injectable Gutta-Percha 141  
*Robert Corr*

## Contents

---

- 15 Clinical Management of C-Shaped Canal Configurations** 148  
*Jason C. Joe*

### **PART IV Retreatment 157**

- 16 Bypassing Ledges, Separated Instruments, and Other Obstructions** 159  
*Fred S. Tsutsui and Robert H. Sharp*
- 17 Removing Metal and Fiber Posts** 167  
*Marga Ree*
- 18 Removing Silver Points and Gutta-Percha Carriers** 175  
*Scott T. Weed*
- 19 Retreatment of Teeth Containing “Russian Red” Endodontic Paste** 183  
*Ivan N. Vyuchnov*
- 20 Repair of Iatrogenic Perforations** 191  
*Robert Corr*

### **PART V Restorative Considerations 199**

- 21 Evaluating Restorability Prior to Treatment** 201  
*Venkat Canakapalli*
- 22 The Pre-endodontic Buildup** 212  
*Rahim Karmali*
- 23 The Customized Resin Matrix** 218  
*Michael Trudeau*
- 24 Restorative Procedures with Posts** 227  
*Richard Schwartz*
- 25 Esthetic Restoration of Access Cavities** 234  
*Ron Fransman*
- 26 Bonding to Ceramic Materials** 238  
*Richard Schwartz*

### **PART VI Resorption 243**

- 27 Diagnosis and Treatment Planning for Resorption** 245  
*Richard Schwartz*
- 28 Nonsurgical Treatment of Invasive Cervical Resorption** 253  
*Richard Schwartz*
- 29 Surgical Treatment of Invasive Cervical Resorption** 258  
*Richard Schwartz*
- 30 Treatment of Internal Resorption and External Inflammatory Resorption** 262  
*Richard Schwartz*

- 
- 31** Flapless Decoronation for Teeth with Replacement  
Resorption 268  
*Jared Buck*

**PART VII Trauma Management 273**

- 32** Immediate Surgical Extrusion 275  
*Mary M. Chien and Rajiv G. Patel*
- 33** Orthodontic Extrusion 281  
*Venkat Canakapalli and Mithuna Vasudevan*
- 34** Clinical Management of Horizontal Fractures 286  
*Richard Schwartz and Marga Ree*
- 35** Clinical Management of Incisors with Complex Fractures 292  
*Michael Trudeau*

**PART VIII Other Topics 299**

- 36** Clinical Management of Teeth with Open Apices with the  
Apical Barrier Technique 301  
*Marga Ree*
- 37** Vital Pulp Therapy in Immature Teeth 310  
*Marga Ree*
- 38** Decompression 316  
*Scott A. Martin*
- 39** Suturing Under the Microscope 320  
*Ivan N. Vyuchnov*
- 40** Keys to Effective Communication 331  
*Mitchell H. Davich and Marc Balson*
- 41** Quality Intraoral Radiography for Endodontics 337  
*Andrew L. Shur*
- Index 343
