Contents

List of Illustrations vii

1. **Introduction to Learning Theory and Technology** 1
   Introduction to Learning Theory in the Knowledge Age 2
   What Is Learning Theory? 4
   Learning Theories of the 20th Century 10
   Learning Theories for the 21st Century 13
   Summary 15

2. **Historical Overview of Learning and Technology** 16
   Introduction 17
   Steps in Human Development: Learning and Technology 17
   Arpanet and Internet: Meeting of Minds 25
   The Web 26
   Historical Overview of Online Learning 29
   Summary 30

3. **Behaviorist Learning Theory** 32
   Context of Behaviorist Theory 33
   Behaviorist Learning Theory 33
   Behaviorist Learning Pedagogy 39
   Behaviorist Learning Technology 43
   Summary 47

4. **Cognitivist Learning Theory** 48
   Context of Cognitivism 49
   Cognitivist Learning Theory 49
   Cognitivist Learning Pedagogy 53
   Cognitivist Learning Technology 55
   Summary 60

5. **Constructivist Learning Theory** 61
   Context of Constructivism 62
   Constructivist Learning Theory 62
   Constructivist Learning Pedagogy 70

Constructivist Learning Technology 75
Summary 79

6. Connectivism as an Online Learning Theory 80
Context of Connectivism and Learning Networks 81
Connectivism as a Learning Theory and Major Thinkers 83
Connectivist Learning Pedagogy: The MOOC 93
Connectivist Learning Technologies: The Role of Artificial Intelligence and Machine Learning 98
Summary 103

7. Collaborativist (aka Online Collaborative Learning) Theory 105
Introduction 106
The Challenge and Opportunities for Online Teaching and Learning Today 107
Context of Collaborativism or Online Collaborative Learning (OCL) 109
The History and Roots of Collaborativism or Online Collaborative Learning (OCL) 114
Definitions of Online Learning 116
Collaborativism aka Online Collaborative Learning Theory 118
Collaborativist Pedagogy 123
Collaborativist Technology 126
Augmented Human Intelligence (AHI) Versus Artificial Intelligence (AI) 133
Collaborativism and Augmented Human Intelligence (AHI) 137
A Call to Action for Educators 139
Summary 140

8. Collaborativist (aka Online Collaborative Learning or OCL) Pedagogies in Practice 142
Introduction 142
Living the Online Student Life 143
Collaborativist Pedagogical Scenarios: Four Students and Online Study 143
Summary 155

9. Collaborativist Scenarios: *Online Communities of Practice* 156
Context of Communities of Practice (CoP) 157
Definitions of Key Terms 161
What is an Online Community of Practice? 163
Exemplars: How Do OCoPs Function? 166
Toward an Analytical Framework for OCoPs 178
Summary 183

10. Conclusions: *In Retrospect and In Prospect* 184
In Retrospect 184
In Prospect 187
