About the author x

Introduction xi

PART ONE Bare analytics 1

- 1 Business experiments/experimental design/AB testing 3
- 2 Visual analytics 8
- 3 Correlation analysis 12
- 4 Scenario analysis 16
- 5 Forecasting/time series analysis 21
- 6 Data mining 24
- 7 Regression analysis 28
- 8 Text analytics 31
- 9 Sentiment analysis 35
- 10 Image analytics 38
- 11 Video analytics 41
- 12 Voice analytics 45
- 13 Monte Carlo simulation 49
- 14 Linear programming 53
- 15 Cohort analysis 58
- 16 Factor analysis 61
- 17 Neural network analysis 64
- 18 Meta-analytics – literature analysis 67

PART TWO Analytics input tools or data collection methods 69

- 19 Quantitative surveys 71
- 20 Qualitative surveys 75
- 21 Focus groups 79
- 22 Interviews 83
- 23 Ethnography 87
- 24 Text capture 91
- 25 Image capture 95
- 26 Sensor data 98
- 27 Machine data capture 102

PART THREE Financial analytics 107

- 28 Predictive sales analytics 109
- 29 Customer profitability analytics 113
- 30 Product profitability analytics 117
- 31 Cash flow analytics 121
- 32 Value driver analytics 124
- 33 Shareholder value analytics 127

PART FOUR Market analytics 131

- 34 Unmet need analytics 133
- 35 Market size analytics 136
- 36 Demand forecasting 139
- 37 Market trend analytics 142
- 38 Non-customer analytics 145
- 39 Competitor analytics 148
- 40 Pricing analytics 152
- 41 Marketing channel analytics 155
- 42 Brand analytics 158

PART FIVE Customer analytics 161

- 43 Customer satisfaction analysis 163
- 44 Customer lifetime value analytics 168
- 45 Customer segmentation analytics 171
- 46 Sales channel analytics 175
- 47 Web analytics 178
- 48 Social media analytics 182
- 49 Customer engagement analytics 186
- 50 Customer churn analytics 190
- 51 Customer acquisition analytics 193

PART SIX Employee analytics 197

- 52 Capability analytics 199
- 53 Capacity analytics 202
- 54 Employee churn analytics 205
- 55 Recruitment channel analytics 208

56	Competency acquisition analytics	211
57	Employee performance analytics	214
58	Corporate culture analytics	217
59	Leadership analytics	220

PART SEVEN Operational analytics 223

60	Fraud detection analytics	225
61	Core competency analytics	229
62	Supply chain analytics	232
63	Lean Six Sigma analytics	236
64	Capacity utilisation analytics	240
65	Project and programme analytics	242
66	Environmental impact analytics	245
67	Corporate social responsibility (CSR) analytics	248
