STRATEGY

Winning in the Marketplace

Core Concepts • Analytical Tools • Cases

Part I Introduction and Overview

1 What Is Strategy and Why Is It Important? 2

What Is Strategy? 3

Striving for Competitive Advantage 3

Identifying a Company's Strategy 4

Strategy is Partly Proactive and Partly Reactive 5

The Relationship Between a Company's Strategy and Its Business Model 8

What Does the Strategy-Making, Strategy-Executing Process Entail? 9

Developing a Strategic Vision: Phase 1 of the Strategy-Making, Strategy-Executing Process 9

A Strategic Vision Is Different from a Mission Statement 12

Communicating the Strategic Vision 14

Linking the Vision with Company Values 14

Setting Objectives: Phase 2 of the Strategy-Making, Strategy-Executing Process 15

What Kind of Objectives to Set—The Need for a Balanced Scorecard 16

Crafting a Strategy: Phase 3 of the Strategy-Making, Strategy-Executing Process 20

The Ethical Component of Strategy Making 20

Merging the Strategic Vision, Objectives, and Strategy into a Strategic Plan 21

Who Participates in Crafting a Company's Strategy 22

A Company's Strategy-Making Hierarchy 24

What Makes a Strategy a Winner? 27

Implementing and Executing the Strategy: Phase 4 of the Strategy-Making, Strategy-Executing Process 28

Evaluating Performance and Initiating Corrective Adjustments: Phase 5 of the Strategy-Making, Strategy-Executing Process 29

What Is the Role of the Board of Directors in the Strategy-Making, Strategy-Executing Process? 30

Why Is Strategy Important? 31

Good Strategy + Good Strategy Execution = Good Management 32

Key Points 33

Exercises 35

Company Spotlights

1.1 A Strategy Example: Southwest Airlines 6

1.2 Microsoft and Red Hat Linux: Contrasting Business Models 10

1.3 Examples of Well-Stated Strategic Visions 13

1.4 Examples of Company Objectives 17

1.5 Organizations That Use a Balanced Scorecard Approach to Objective Setting 18

Part II Core Concepts and Analytical Tools

2 Analyzing a Company's External Environment 36

The Strategically Relevant Components of a Company's External Environment 38

Thinking Strategically about a Company's Industry and Competitive Environment 39

Identifying Strategically Relevant Industry Features 40

Analyzing the Nature and Strength of Competitive Forces 42

The Rivalry among Competing Sellers 42

The Potential Entry of New Competitors 47

Competitive Pressures from the Sellers of Substitute Products 50

Competitive Pressures Stemming from Supplier Bargaining Power and Supplier–Seller Collaboration 52

Competitive Pressures Stemming from Buyer Bargaining Power and Seller–Buyer Collaboration 56

Determining Whether the Collective Strength of the Five Competitive Forces Is Conducive to Good Profitability 59

The Drivers of Change: What Impacts Will They Have? 60

The Concept of Driving Forces 60

Identifying an Industry's Driving Forces 61

Assessing the Impact of the Driving Forces 65

The Link between Driving Forces and Strategy 66

Diagnosing the Market Positions of Industry Rivals: Who Is Strongly Positioned and Who Is Not? 66

Using Strategic Group Maps to Assess the Market Positions of Key Competitors 66

What Can Be Learned from Strategic Group Maps 68

Predicting the Next Strategic Moves Rivals Are Likely to Make 69

Identifying Competitors' Strategies and Resource Strengths and Weaknesses 69

Predicting Competitors' Next Moves 70

Pinpointing the Key Factors for Future Competitive Success 71

Deciding Whether the Industry Presents an Attractive Opportunity 74

Key Points 75

Exercises 77

Company Spotlights

2.1 Comparative Market Positions of Selected Retail Chains: A Strategic Group Map Application 68

3 Analyzing a Company's Resources and Competitive Position 78

Evaluating How Well a Company's Present Strategy Is Working 78

Sizing Up a Company's Resource Strength and Weaknesses, and Its External Opportunities and Threats 81

The Potential for Locational Advantages 163

The Risks of Adverse Exchange Rate Fluctuations 164

Host Government Restrictions and Requirements 165

The Concepts of Multicountry Competition and Global Competition 166

Strategy Options for Entering and Competing in Foreign Markets 168

Export Strategies 168

Licensing Strategies 168

Franchising Strategies 169

A Multicountry Strategy or a Global Strategy? 169

The Quest for Competitive Advantage in Foreign Markets 173

Using Location to Build Competitive Advantage 173

Using Cross-Border Transfers of Competencies and Capabilities to Build Competitive Advantage 175

Using Cross-Border Coordination to Build Competitive Advantage 175

Profit Sanctuaries, Cross-Market Subsidization, and Global Strategic Offensives 176

Using Cross-Market Subsidization to Wage a Strategic Offensive 177

Strategic Alliances and Joint Ventures with Foreign Partners 178

The Risks of Strategic Alliances with Foreign Partners 179

Making the Most of Strategic Alliances with Foreign Partners 180

Competing in Emerging Foreign Markets 182

Strategies for Local Companies in Emerging Markets 183

Using Home-Field Advantages 183

Transferring the Company's Expertise to Cross-Border Markets 185

Shifting to a New Business Model or Market Niche 185

Contending on a Global Level 185

Key Points 186

Exercises 188

Global Spotlights

5.1 Microsoft, McDonald's, and Nestlé: Users of Multicountry Strategies 172

5.2 Cross-Border Strategic Alliances: The New Shape of Global Business 181

6 Diversification: Strategies for Managing a Group of Businesses 190

When to Diversify 192

Factors That Signal It Is Time to Diversify 193

Building Shareholder Value: The Ultimate Justification for Diversifying 193

Strategies for Entering New Businesses 195

Acquisition of an Existing Business 195

Internal Start-Up 195

Joint Ventures and Strategic Partnerships 196

Choosing the Diversification Path: Related versus Unrelated Businesses 197

The Case for Diversifying into Related Businesses 197

Cross-Business Strategic Fits along the Value Chain 199

Strategic Fit, Economies of Scope, and Competitive Advantage 203

The Case for Diversifying into Unrelated Businesses 204

The Merits of an Unrelated Diversification Strategy 206

The Drawbacks of Unrelated Diversification 208

Combination Related–Unrelated Diversification Strategies 210

Evaluating the Strength of a Diversified Company 210

Step 1: Evaluating Industry Attractiveness 212

Step 2: Evaluating Business-Unit Competitive Strength 215

Step 3: Checking the Competitive Advantage Potential of Cross-Business Strategic Fits 220

Step 4: Checking for Resource Fit 221

Step 5: Ranking the Business Units on the Basis of Performance and Priority for Resource Allocation 224

Step 6: Crafting New Strategic Moves to Improve Overall Corporate Performance 226

After a Company Diversifies: The Four Main Strategy Alternatives 226

Strategies to Broaden a Diversified Company's Business Base 227

Divestiture Strategies Aimed at Retrenching to a Narrower Diversification Base 228

- Strategies to Restructure a Company's Business Lineup* 230
- Multinational Diversification Strategies* 232
- Key Points* 236

 - Determining the Degree of Authority and Independence to Give Each Unit and Each Employee* 261
 - Providing for Internal Cross-Unit Coordination* 264
 - Providing for Collaboration with Outside Suppliers and Strategic Allies* 265
 - Perspective on the Organization-Building Effort* 266
- Organizational Structures of the Future 266
 - Key Points* 267
 - Exercises* 270
- Company Spotlights**
- 7.1 How General Electric Develops a Talented and Deep Management Team 249
- 7.2 Cross-Unit Coordination on Technology at 3M Corporation 265

8 Managing Internal Operations: Actions That Facilitate Strategy Execution 272 –

Marshaling Resources to Support the Strategy Execution Effort 273

Instituting Policies and Procedures That Facilitate Strategy Execution 274

Adopting Best Practices and Striving for Continuous Improvement 277

How the Process of Identifying and Incorporating Best Practices Works 277

TQM and Six Sigma Quality Programs: Tools for Promoting Operational Excellence 279

Capturing the Benefits of Best-Practice and Continuous Improvement Programs 280

Installing Information and Operating Systems 282

Instituting Adequate Information Systems, Performance Tracking, and Controls 283

Tying Rewards and Incentives Directly to Good Strategy Execution 284

Strategy-Facilitating Motivational Practices 285

Linking the Reward System to Strategically Relevant Performance Outcomes 287

Key Points 292

Exercises 293

Company Spotlights

8.1 Graniterock's "Short Pay" Policy: An Innovative Way to Promote Strategy Execution 276

8.2 Companies with Effective Motivation and Reward Techniques 288

8.3 Nucor and Bank One: Two Companies That Tie Incentives Directly to Strategy Execution 290

9 Corporate Culture and Leadership 294 –

Building a Corporate Culture That Promotes Good Strategy Execution 295

What to Look for in Identifying a Company's Corporate Culture 296

Culture: Ally or Obstacle to Strategy Execution? 299

Strong versus Weak Cultures 301

Unhealthy Cultures 302

Adaptive Cultures 304

Creating a Strong Fit between Strategy and Culture 306

Grounding the Culture in Core Values and Ethics 309

Establishing a Strategy-Culture Fit in Multinational and Global Companies 315

Leading the Strategy Execution Process 316

Staying on Top of How Well Things Are Going 317

Putting Constructive Pressure on the Organization to Achieve Good Results 318

Keeping the Internal Organization Focused on Operating Excellence 319

Leading the Development of Better Competencies and Capabilities 320

Exercising Ethics Leadership and Insisting on Good Corporate Citizenship 320

Leading the Process of Making Corrective Adjustments 322

Key Points 323

Exercises 325

Company Spotlights

9.1 The Culture at Alberto-Culver 296

9.2 The Culture-Change Effort at Alberto-Culver's North American Division 310

9.3 Lockheed Martin's Corrective Actions after Violating U.S. Antibribery
Laws 321

Part V Cases in Crafting and Executing Strategy
