Extent of Franchising	77
Types of Franchising Systems	77
Why Franchising Is Growing in Importance	77
Recent Rapid Growth	78
Causes of Rapid Growth	79
How to Tell Whether a Franchise Is Right for You	79
See What the Franchise Can Do for You	79
Investigate the Franchise	81
Obtain Professional Advice	82
Know Your Legal and Ethical Rights	82
The Future of Franchising	83
Expected Areas of Growth	83
Other Areas of Expected Development	84
Global Franchising	86
Turning Your Dream into Reality	87
Case 4-1 Tim Lewis Fills a Niche	89
Case 4-2 La-Van Hawkins: Urban Entrepreneur	90

## Chapter 5

### PLANNING, ORGANIZING, AND MANAGING A SMALL BUSINESS 92

Profile: Sam and Teresa Davis Do Their Homework before Launch	93
Why Is Planning So Important to Small Businesses?	94
Why Small Business Owners <i>Need</i> to Plan	94
Why Small Business Owners <i>Neglect</i> Planning	95
The Role of Strategic Planning	96
SWOT Analysis	97
Mission and Objectives	97
Strategies	100
The Role of Operational Planning	100
Setting Up Policies, Methods, Procedures, and Budgets	101
Planning to Operate the Business	101
The Role of Financial Planning	104
Estimating Income and Expenses	104
Estimating Initial Investment	104
Locating Sources of Funds	107
The Role of the Business Plan in Strategic and Operational Planning	108
Purposes of the Plan	108
What the Plan Should Include	108

Preparing the Plan	109
Who Should Prepare the Plan?	109
Developing Action Steps	110
Components of the Plan	110
Cover Sheet	110
Executive Summary	111
Table of Contents	112
History of the (Proposed) Business	112
Description of the Business	113
Definition of the Market	113
Description of the Product(s)	113
Management Structure	113
Objectives and Goals	114
Financial Data	114
Appendixes	114
Presenting the Plan	114
Writing the Plan	115
The Written/Oral Presentation	115
Implementing the Plan	116
Sample Business Plan	116
Appendix: A Sample Business Plan: The Business Center	118

## Chapter 6

### HOW TO OBTAIN THE RIGHT FINANCING FOR YOUR BUSINESS 142

Profile: Roy Morgan—Pioneer in Air Medical Services	143
Estimating Financial Needs	144
Principles to Follow	144
Using Cash Budgets	145
Reasons for Using Equity and Debt Financing	145
Role of Equity Financing	145
Role of Debt Financing	146
