

RECEPTOR BIOCHEMISTRY AND METHODOLOGY SERIES

REGULATION OF G PROTEIN—COUPLED RECEPTOR FUNCTION AND EXPRESSION

edited by

JEFFREY L. BENOVIC

CONTENTS

SERIES PREFACE	vii
PREFACE	ix
CONTRIBUTORS	xi

PART 1: TECHNIQUES FOR CHARACTERIZING RECEPTOR FUNCTION

I

1 Epitope Tagging and Detection Methods for Receptor Identification	3
<i>Uwe Klein and Mark von Zastrow</i>	
2 In Situ Phosphorylation of G Protein–Coupled Receptors	33
<i>Michel Bouvier, Stéphanie St-Onge, and Monique Legacé</i>	
3 Reconstitution and In Vitro Phosphorylation of G Protein–Coupled Receptors	55
<i>Judith A. Ptasienski and M. Marlene Hosey</i>	
4 Identification of Residues That Are Phosphorylated Within a Receptor	69
<i>Krzysztof Palczewski, J. Preston Van Hooser, and Hiroshi Ohguro</i>	
5 Palmitoylation of G Protein–Coupled Receptors	93
<i>Hui Jin, Susan R. George, Michel Bouvier, and Brian F. O'Dowd</i>	
6 Assays for Measuring Receptor–G Protein Coupling	119
<i>Quibo Li and Richard A. Cerione</i>	

PART 2: PROTEINS THAT REGULATE RECEPTOR FUNCTION	133
7 Expression and Activity of G Protein–Coupled Receptor Kinases	135
<i>Robert P. Loudon, Alexey N. Pronin, and Jeffrey L. Benovic</i>	
8 Characterization of Arrestin Expression and Function	157
<i>Vsevolod V. Gurevich, Michael J. Orsini, and Jeffrey L. Benovic</i>	
9 The G Protein–Coupled Receptor Phosphatase	179
<i>Julie A. Pitcher and Robert J. Lefkowitz</i>	
PART 3: REGULATION OF RECEPTOR TRAFFICKING AND EXPRESSION	197
10 Radioligand-Binding Assays for G Protein–Coupled Receptor Internalization	199
<i>Myron L. Toews</i>	
11 Characterization of Receptor Sequestration by Immunofluorescence Microscopy	231
<i>Francesca Santini and James H. Keen</i>	
12 Characterization of Receptor Trafficking With Green Fluorescent Protein	253
<i>Nadya I. Tarasova, Roland D. Stauber, and Stephen A. Wank</i>	
13 The Analysis of Post-Transcriptional Regulation of the Expression of G Protein–Coupled Receptors	273
<i>Baby G. Tholanikunnel and Craig C. Malbon</i>	
INDEX	293
