

# Interactions between Soil Particles and Microorganisms

*Impact on the  
Terrestrial Ecosystem*

*Edited by*

**P. M. Huang**

**J.-M. Bollag**

**N. Senesi**

IUSS-UISS-IBU

IUPAC Series on Analytical  
and Physical Chemistry of  
Environmental Systems

*Series Editors:*

*Jacques Buffle and Herman P. van Leeuwen*

VOLUME 8

|                           |      |
|---------------------------|------|
| List of Contributors..... | xi   |
| Series Preface .....      | xiii |
| Preface.....              | xv   |

## **PART I. FUNDAMENTALS OF SOIL**

|  |            |
|--|------------|
| <b>PARTICLE-MICROORGANISM INTERACTIONS.....</b>                          | <b>1</b>   |
| <b>1 Interactions between Microorganisms and Soil Particles:</b>         |            |
| <b>An Overview.....</b>  | <b>3</b>   |
| <i>C. Chenu and G. Stotzky</i>   |            |
| <b>2 A Fractal Approach for Interactions between Soil Particles</b>      |            |
| <b>and Microorganisms.....</b>   | <b>41</b>  |
| <i>N. Senesi and L. Boddy</i>  |            |
| <b>3 Interactions of Organic Materials and Microorganisms with</b>       |            |
| <b>Minerals in the Stabilization of Structure .....</b>                  | <b>85</b>  |
| <i>J. A. Baldock</i>   |            |
| <b>4 Impact of Organic Substances on the Formation and</b>               |            |
| <b>Transformation of Metal Oxides in Soil Environments .....</b>         | <b>133</b> |
| <i>A. Violante, G. S. R. Krishnamurti and P. M. Huang</i>                |            |
| <b>5 Microbial Mobilization of Metals from Soil Minerals</b>             |            |
| <b>under Aerobic Conditions.....</b>                                     | <b>189</b> |
| <i>E. Kurek</i>  |            |
| <b>6 Interactions of Bacteria and Environmental Metals, Fine-grained</b> |            |
| <b>Mineral Development and Bioremediation Strategies .....</b>           | <b>227</b> |
| <i>J. S. McLean, J.-U. Lee and T. J. Beveridge</i>                       |            |

## **PART II. IMPACT OF SOIL PARTICLE-MICROORGANISM INTERACTIONS ON THE TERRESTRIAL ENVIRONMENT .....**

|  |            |
|--|------------|
| <b>(A) ION CYCLING AND ORGANIC POLLUTANT</b>                     |            |
| <b>TRANSFORMATION.....</b>                                       | <b>265</b> |
| <b>7 Effect of Mineral Colloids on Biogeochemical Cycling of</b> |            |
| <b>C, N, P and S in Soil .....</b>                               | <b>267</b> |
| <i>G. Guggenberger and K. M. Haider</i>                          |            |

|  |     |
|--|-----|
| <b>8 Impact of Interactions between Microorganisms and Soil Colloids on the Transformation of Organic Pollutants</b> ..... | 323 |
| <i>J. Dec, J.-M. Bollag, P. M. Huang and N. Senesi</i>   |     |
| <b>(B) RHIZOSPHERE CHEMISTRY AND BIOLOGY</b> .....   | 379 |
| <b>9 Chemical and Biological Processes in the Rhizosphere: Metal Pollutants</b> .....                                      | 381 |
| <i>P. M. Huang and J. J. Germida</i>   |     |
| <b>10 Biotic and Abiotic Interactions in the Rhizosphere: Organic Pollutants</b> .....                                     | 439 |
| <i>T. A. Anderson, D. P. Shupack and H. Awata</i>  |     |
| <b>(C) ANAEROBIC AND TRANSPORT PROCESSES, AND THE SUBSURFACE TERRESTRIAL ENVIRONMENT</b> .....                             | 457 |
| <b>11 Interactions between Microorganisms and Minerals under Anaerobic Conditions</b> .....                                | 459 |
| <i>H. L. Ehrlich</i>   |     |
| <b>12 The Role of Mineral Colloids in the Facilitated Transport of Contaminants in Saturated Porous media</b> .....        | 495 |
| <i>M. Elimelech and J. N. Ryan</i>   |     |
| <b>Index</b> .....   | 549 |
