

**CRASH COURSE**

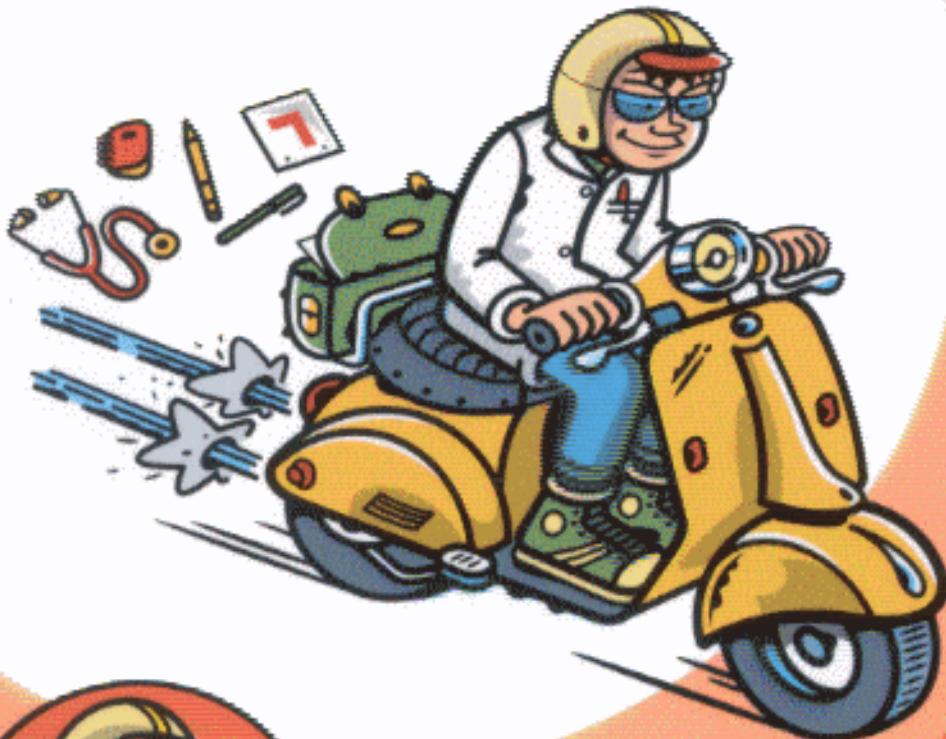

# Muscles, Bones and Skin

**SECOND EDITION**

**Knight, Biswas, Iqbal**

Faculty Advisor Sam Jacob

Series Editor Dan Horton-Szar

- New edition of the best-selling revision tool for basic sciences integrating clinical topics
- Concise text and clear illustrations make information accessible and easy to retain
- Expanded self-assessment section including MCQs and short-answer questions

# Contents

Preface .....	v
Acknowledgements .....	vii
<b>Part I: Basic Medical Science of Muscles, Bones and Skin .....</b>	<b>1</b>
<b>1. Musculoskeletal System—an overview .....</b>	<b>3</b>
Overview of the musculoskeletal system .....	3
Skin .....	4
Connective tissue .....	5
<b>2. Skeletal Muscle .....</b>	<b>11</b>
Comparison of the three types of muscle .....	11
Skeletal muscle .....	15
Cellular physiology of skeletal muscle .....	21
Functions of skeletal muscle .....	33
Disorders of skeletal muscle .....	40
<b>3. Cardiac and Smooth Muscle .....</b>	<b>49</b>
Cardiac muscle .....	49
Smooth muscle .....	53
<b>4. Bone .....</b>	<b>59</b>
Overview of the skeleton .....	59
Organization of bone and cartilage .....	59
Bone formation, growth and remodelling .....	67
Functions of bone .....	69
Disorders of bone .....	74
Infections and trauma .....	77
Metabolic diseases of bone .....	81
Tumours of the skeleton .....	84
Other diseases of bone .....	88
<b>5. Joints and Related Structures .....</b>	<b>91</b>
Classification of joints .....	91
Structure and function of joints .....	91
Blood supply and lymph drainage of joints .....	94
Nerve supply of joints .....	94
Arthropathies .....	96
Disorders affecting specific joints .....	104
<b>6. The Functioning Musculoskeletal System .....</b>	<b>123</b>
Motor function and control .....	123
Posture and locomotion .....	124
<b>7. Skin .....</b>	<b>129</b>
Organization of the skin .....	129
Skin physiology .....	130
Derivative structures of the skin .....	130
Functions of the skin .....	135
<b>8. Disorders of the skin .....</b>	<b>143</b>
Terminology of skin disorders .....	143
Inflammation and skin eruptions .....	145
Infection and infestation .....	154
Tumours of the skin .....	159
Disorders of specific skin structures .....	164
Disorders of pigmentation .....	172
Blistering disorders .....	172
Inherited disorders of the skin .....	174
Connective tissue disorders in the skin .....	175
Skin manifestations of systemic disease .....	176
Drug-induced skin disorders .....	178
<b>Part II: Clinical Assessment .....</b>	<b>181</b>
<b>9. Common Presentations of Muscle, Bone and Skin Diseases .....</b>	<b>183</b>
Common presenting complaints of the musculoskeletal system .....	183
Common presenting complaints of the skin .....	185
<b>10. History and Examination .....</b>	<b>193</b>
Taking a history .....	193
Communication skills .....	195
General examination of joints and the musculoskeletal system .....	197
Regional examination of joints and the musculoskeletal system .....	199
<b>11. Further Investigations .....</b>	<b>211</b>
Investigation of musculoskeletal function .....	211

Investigations of skin disorders . . . . .	213
Routine investigations in musculoskeletal and skin disorders . . . .	214
Imaging of the musculoskeletal system . . . . .	215
<b>Part III: Self-assessment . . . . .</b>	<b>225</b>
Multiple-choice Questions (MCQs) . . . .	227
Short-answer Questions (SAQs) . . . . .	237
Essay Questions . . . . .	239
MCQ Answers . . . . .	241
SAQ Answers . . . . .	251
<b>Index . . . . .</b>	<b>253</b>
