

Grzimek's **Animal Life Encyclopedia**

Second Edition
Volume 4 • Fishes I

Michael Hutchins, Series Editor,
in association with the American Zoo and Aquarium Association

Dennis A. Thoney and Paul V. Loisel, Advisory Editors

Contents

Foreword	viii
How to use this book	xi
Advisory boards.....	xiv
Contributing writers.....	xvi
Contributing illustrators.....	xviii

Volume 4: Fishes I

What is a fish?	3
Evolution and systematics	9
Structure and function.....	14
Life history and reproduction	29
Freshwater ecology.....	36
Marine ecology	42
Distribution and biogeography	52
Behavior.....	60
Fishes and humans.....	72

Order MYXINIFORMES

Hagfishes	77
-----------------	----

Order PETROMYZONIFORMES

Lampreys	83
----------------	----

Order CHIMAERIFORMES

Chimaeras.....	91
----------------	----

Order HETERODONTIFORMES

Horn or bullhead sharks.....	97
------------------------------	----

Order ORECTOLOBIFORMES

Carpet sharks.....	105
--------------------	-----

Order CARCHARHINIFORMES

Ground sharks.....	113
--------------------	-----

Order LAMNIFORMES

Mackerel sharks.....	131
----------------------	-----

Order HEXANCHIFORMES

Six- and sevengill sharks.....	143
--------------------------------	-----

Order SQUALIFORMES

Dogfish sharks.....	151
---------------------	-----

Order SQUATINIFORMES

Angelsharks	161
-------------------	-----

Order PRISTIOPHORIFORMES

Sawsharks.....	167
----------------	-----

Order RAJIFORMES

Skates and rays.....	173
----------------------	-----

Order COELACANTHIFORMES

Coelacanths	189
-------------------	-----

Order CERATODONTIFORMES

Australian lungfish	197
---------------------------	-----

Order LEPIDOSIRENIFORMES

Lungfishes	201
------------------	-----

Order POLYPTERIFORMES

Bichirs.....	209
--------------	-----

Order ACIPENSERIFORMES

Sturgeons and paddlefishes	213
----------------------------------	-----

Order LEPISOSTEIFORMES

Gars	221
------------	-----

Order AMIIFORMES

Bowfins	229
---------------	-----

Order OSTEOGLOSSIFORMES

Bony tongues and relatives.....	231
---------------------------------	-----

Order ELOPIFORMES

Ladyfish and tarpon.....	243
--------------------------	-----

Order ALBULIFORMES

Bonefishes and relatives.....	249
-------------------------------	-----

Order ANGUILLIFORMES

Eels and morays	255
-----------------------	-----

Order SACCOPHARYNGIFORMES

Swallowers and gulpers.....	271
-----------------------------	-----

Order CLUPEIFORMES

Herrings	277
----------------	-----

Order GONORYNCHIFORMES

Milkfish and relatives.....	289
-----------------------------	-----

Order CYPRINIFORMES

I: Minnows and carps	297
----------------------------	-----

II: Loaches and relatives.....	321
--------------------------------	-----

Contents

Order CHARACIFORMES	
Characins	335
Order SILURIFORMES	
Catfishes	351
Order GYMNOTIFORMES	
South American knifefishes and electric eels	369
Order ESOCIFORMES	
Pikes and mudminnows	379
Order OSMERIFORMES	
Smelts, galaxiids, and relatives	389
Order SALMONIFORMES	
Salmon	405
Order STOMIIFORMES	
Dragonfishes and relatives	421
Order AULOPIIFORMES	
Lizardfishes and relatives	431
Order MYCTOPHIFORMES	
Lanternfishes	441
Order LAMPRIDIFORMES	
Opah and relatives	447
For further reading	457
Organizations	462
Contributors to the first edition	464
Glossary	471
Fishes family list	476
Geologic time scale	480
Index	481

Volume 5: Fishes II

Foreword	viii
How to use this book	xi
Advisory boards	xiv
Contributing writers	xvi
Contributing illustrators	xviii

Order POLYMIXIIFORMES	
Beardfishes	1
Order PERCOPSIFORMES	
Troutperches and relatives	5
Order OPHIDIIFORMES	
Cusk-eels and relatives	15
Order GADIFORMES	
Grenadiers, hakes, cods, and relatives	25
Order BATRACHOIDIFORMES	
Toadfishes	41
Order LOPHIIFORMES	
Anglerfishes	47
Order MUGILIFORMES	
Mullets	59

Order ATHERINIFORMES	
Rainbowfishes and silversides	67
Order BELONIFORMES	
Needlefishes and relatives	79
Order CYPRINODONTIFORMES	
Killifishes and live-bearers	89
Order STEPHANOBERYCIFORMES	
Whalefishes and relatives	105
Order BERYCIFORMES	
Roughies, flashlightfishes, and squirrelfishes	113
Order ZEIFORMES	
Dories	123
Order GASTEROSTEIFORMES	
Sticklebacks, seahorses, and relatives	131
Order SYNBRANCHIFORMES	
Swamp and spiny eels	151
Order SCORPAENIFORMES	
I: Gurnards and flatheads	157
II: Scorpionfishes and relatives	163
III: Greenlings, sculpins, and relatives	179
Order PERCIFORMES	
Suborder PERCOIDEI	
I: Perches and darters, North American basses and sunfishes, pygmy sunfishes, and temperate basses	195
II: Bluefishes, dolphinfishes, roosterfishes, and remoras	211
III: Grunters, temperate basses and perches, snooks and giant perches, and relatives	219
IV: Goatfishes, butterflyfishes, angelfishes, chubs, and relatives	235
V: Groupers, sea basses, trevallies, snappers, emperors, and relatives	255
Suborder LABROIDEI	
I: Cichlids and surfperches	275
II: Damselfishes, wrasses, parrotfishes, and rock whittings	293
Suborder ZOARCOIDEI	
Eelpouts and relatives	309
Suborder NOTOTHENIOIDEI	
Southern cod-icefishes	321
Suborder TRACHINOIDEI	
Weeverfishes and relatives	331
Suborder BLENNIOIDEI	
Blennies	341
Suborder ICOSTEOIDEI	
Ragfish	351
Suborder GOBIESOCOIDEI	
Clingfishes and singleslits	355

Suborder CALLIONYMOIDEI

Dragonets and relatives 365

Suborder GOBIOIDEI

Gobies..... 373

Suborder ACANTHUROIDEI

Surgeonfishes and relatives..... 391

Suborder SCOMBROIDEI

Barracudas, tunas, marlins, and relatives 405

Suborder STROMATEOIDEI

Butterfishes and relatives..... 421

Suborder ANABANTOIDEI

Labyrinth fishes..... 427

Suborder CHANNOIDEI

Snakeheads 437

Order PLEURONECTIFORMES

Flatfishes..... 449

Order TETRAODONTIFORMES

Pufferfishes, triggerfishes, and relatives..... 467

For further reading..... 487

Organizations 492

Contributors to the first edition 494

Glossary..... 501

Fishes family list 506

Geologic time scale..... 510

Index..... 511
