

AP-T11

MANAGEMENT OF CONCRETE BRIDGE STRUCTURES TO EXTEND THEIR SERVICE LIFE

AUSTROADS

Contents

Executive Summary

1. INTRODUCTION	1
2. STRUCTURE OF THIS REPORT.....	2
SECTION 1 – GENERAL CORROSION INFORMATION	2
SECTION 2 – REVIEW OF SRAs CONDITION SURVEY REPORTS	2
SECTION 3 – REVIEW OF SERVICE LIFE PREDICTION OF REINFORCED CONCRETE BRIDGES	2
SECTION 4 – CONDITION ASSESSMENT OF THREE VICTORIAN BRIDGES	2
SECTION 1: GENERAL INFORMATION ON CORROSION OF STEEL REINFORCEMENT IN CONCRETE	3
1.1 General Information	3
1.1.1 <i>Loss of alkalinity by carbonation</i>	3
1.1.2 <i>Chloride ions in concrete and corrosion of steel</i>	4
1.2 Detection and Assessment of Corrosion	5
1.2.1 <i>Half-cell potential survey</i>	5
1.2.2 <i>Resistivity measurements and corrosion rate</i>	6
1.2.3 <i>Linear polarisation resistance</i>	7
1.2.4 <i>AC Impedance technique</i>	10
1.2.5 <i>Chemical techniques</i>	11
SECTION 2: ASSESSMENT METHODS USED BY SRAs	13
2.1 General Information	13
2.2 Physical, Chemical and Mechanical Tests	13
2.3 Half-Cell Potential and Resistivity Measurements	14
2.4 Assessment Methodology – DIER Tasmania	14
2.5 Assessment Methodology – VicRoads	15
2.6 Assessment Methodology, RTA NSW	15
2.7 Assessment Methodology, Queensland DMR	16
2.8 Assessment Methodology, WA	16
2.9 Comparison of Assessment Methodologies Used by SRAs	17
2.10 Possible Improvements to Current Technology	19
SECTION 3: SUMMARY OF RESULTS OF SRAs CORROSION CONDITION SURVEY	21
3.1 General	21
3.2 DIER, Tasmania	21
3.3 VicRoads, Victoria	24
3.4 Roads and Traffic Authority, New South Wales	26
3.5 Department of Transport and Works, Northern Territory	30
3.6 Department of Transport, South Australia	31
3.7 Queensland Department of Main Roads	31

Contents (Continued)

3.8	Main Roads, Western Australia	35
1.	<i>Narrows Bridge, Swan River, Perth</i>	32
2.	<i>Bridge over Arrowsmith River North of Eneabba</i>	33
3.	<i>Chapman River Bridge, North of Geraldton</i>	33
4.	<i>Bridge over Durlacher Street, Geraldton</i>	37
5.	<i>Bridge over Can Grass Swamp, Kalgoorlie</i>	34
6.	<i>Point Leander Drive Bridge over Irwin River, Dongara</i>	38
7.	<i>Pell Bridge over Irwin River, Dongara</i>	35
8.	<i>Bridge over Lockier River, Mingenew</i>	40
9.	<i>Bridge over Green Brook, Mingenew</i>	36
10.	<i>Bridge over Brockman River, Bindoon</i>	37
11.	<i>Bickley Brook Road Bridge, Kenwick</i>	37
12.	<i>Toodyay-Bindi Bindi Bridge, Toodyay</i>	37
13.	<i>Lake Raeside Bridge, Leonara</i>	38
14.	<i>Bridge No. 43, Albany Highway</i>	38
15.	<i>Kojonup Brook Bridge (No. 53), Albany Highway</i>	39
16.	<i>Pedestrian Underpass, Marmion Avenue</i>	39
3.9	Extent of Damage	40
3.10	Discussion	40
3.11	Extent of liability with Respect to Corrosion Damage	41
SECTION 4:	MODELS FOR SERVICE LIFE PREDICTION	48
4.1	The Definition of Service Life	49
4.2	Laboratory - Based Predictions	52
4.3	Mathematical Models	53
4.4	Service Life Based On Reinforcement Corrosion	55
4.5	Estimation of the Time of Initiation of Corrosion	57
4.5.1	<i>Initiation time of chloride induced corrosion</i>	57
4.5.2	<i>Initiation time of carbonation induced corrosion</i>	62
4.5.3	<i>Initiation time indicated by the on-site measured corrosion rates</i>	65
4.6	Propagation of Corrosion	66
4.7	Other Deterioration Processes	69
4.7.1	<i>Sulfate attack</i>	70
4.7.2	<i>Leaching</i>	71
4.8	Stochastic Methods	71
4.9	Summary And Need For Future Modelling Research	73

Contents (Continued)

SECTION 5: INVESTIGATION OF THREE VICROADS BRIDGE STRUCTURES	75
5.1 INVESTIGATION OF BRIDGES	75
5.2 RESULTS	75
5.2.1 LYNCH'S BRIDGE	75
5.2.2 <i>Footscray Road Bridge Over Moonee Ponds Creek (Melbourne Bound)</i>	79
5.2.3 <i>Racecourse Road Bridge Over Moonee Ponds Creek</i>	82
5.3 Service Life of the Three Victorian Bridges	94
5.3.1 <i>Lynch's Bridge</i>	94
5.3.2 <i>Footscray Road Bridge</i>	96
5.3.3 <i>Racecourse Road Bridge</i>	97
5.4 Remedial Options for Bridges	98
5.4.1 <i>Monitoring</i>	98
5.4.2 <i>Preserving and preventive actions</i>	99
5.4.3 <i>Repair and Strengthening</i>	100
5.5 Recommendations for the Three Victorian Bridges	101
5.5.1 <i>Lynch's Bridge</i>	101
5.5.2 <i>Footscray Bridge</i>	101
5.5.3 <i>Racecourse Bridge</i>	102
6. SUMMARY.....	103
