Comprehensive Sericulture

Volume 1
Moriculture

Contents

<i>Preface</i>	iii
1. The Mulberry Plant	1
Importance of Mulberry Cultivation for Sericulture	1
History of Mulberry Cultivation	2
Geographic Distribution of Mulberry	2
Temperate and Tropical Mulberry	4
Conditions Influencing Growth of Mulberry for Silkworm Rearing	5
Morphology of the Mulberry Plant	9
Non-sericultural Uses of Mulberry	24
Classification of Mulberry	25
Commercial Varieties Cultivated in Various Countries	27
2. Mulberry Plantation Establishment	32
Scale of Plantation	32
Selecting Plantation Location	32
Types of Plantation	33
Land Preparation	37
Planting Direction	42
Planting Season	43
Planting Distance	43
Planting Procedure	45
Planting Systems in Different Countries	47
3. Mulberry Propagation Methods	55
Sexual Method of Propagation	55
Asexual Propagation	63
Micro-propagation Methods	90

4. Mulberry Plantation Management	96
Soil Maintenance	96
Regulating Plant Growth	103
5. Irrigation and Drainage	120
Importance of Irrigation	120
Factors Influencing Irrigation Schedule	121
Quantity of Irrigation Water	122
Quality of Irrigation Water	123
Methods of Irrigation	123
Frequency of Irrigation	126
Irrigation Schedules in Different Countries	127
Fertigation	129
Drainage Facilities	130
6. Manuring	132
Importance of Manuring	132
Nutrient Requirements of Mulberry	132
Estimation of Fertiliser Requirement	140
Routes of Fertiliser Entry	141
Kinds of Fertilisers	141
Methods of Fertiliser Application	150
Fertiliser Schedules	152
Manuring Schedules in Different Countries	154
7. Harvesting and Preservation of Mulberry Leaves	161
Estimation of Annual Leaf Yield	161
Chemical Composition of Mulberry	164
Evaluation of Quality of Mulberry Leaves	167
Number of Harvests	167
Time of Harvest	168
Selection of Leaves for Harvesting	169
Harvesting Methods	171
Methods of Harvesting in Different Countries	175
Preservation of Leaves	182
8. Diseases of Mulberry	184
Diseases Affecting Entire Plant	185
Diseases Affecting Roots	190
Diseases Affecting Shoots	195
Diseases Affecting Leaves	203
Diseases Affecting Fruits	208

9. Pests of Mulberry	209
Lepidopteran Pests	210
Coleopteran Pests	222
Orthopteran Pests	235
Dipteran Pest	235
Hemipteran Pests (Bugs)	237
Thysanopteran Pests	247
Isopteran Pest	249
Arachnidan Pests	250
Molluscan Pests	251
Rodent Pest	251
<i>References</i>	252
<i>Index</i>	257
