## Part I

### Sterile Manufacturing Practice ..... 1

#### Chapter 1

|   |    |
|---|----|
| Inspection of Sterile Product Manufacturing Facilities..... | 3  |
| I. Introduction.....  | 3  |
| II. cGMP Compliance Basics.....                             | 3  |
| A. Personnel.....   | 3  |
| B. Buildings.....   | 3  |
| C. Air.....   | 3  |
| D. Environmental Controls.....                              | 4  |
| E. Equipment.....   | 4  |
| F. Water for Injection.....                                 | 4  |
| G. Containers and Closures.....                             | 4  |
| H. Sterilization.....                                       | 4  |
| 1. Methods.....   | 4  |
| 2. Indicators.....  | 4  |
| 3. Filled Containers.....                                   | 5  |
| I. Personnel Practices.....                                 | 5  |
| J. Laboratory Controls.....                                 | 5  |
| 1. Retesting for Sterility.....                             | 5  |
| 2. Retesting for Pyrogens.....                              | 5  |
| 3. Particulate Matter Testing.....                          | 6  |
| 4. Production Records.....                                  | 6  |
| III. Aseptic Processing.....                                | 6  |
| A. Introduction.....  | 6  |
| B. Buildings and Facilities.....                            | 6  |
| 1. Critical Area (Class 100).....                           | 7  |
| 2. Supporting Clean Areas.....                              | 8  |
| 3. Clean Area Separation.....                               | 8  |
| 4. Air Filtration.....                                      | 8  |
| 5. Design.....  | 9  |
| C. Personnel Training, Qualification, and Monitoring.....   | 10 |
| 1. Manufacturing Personnel.....                             | 11 |
| 2. Laboratory Personnel.....                                | 12 |
| 3. Monitoring Program.....                                  | 12 |
| D. Components and Containers/Closures.....                  | 12 |
| 1. Components.....  | 12 |
| 2. Containers/Closures.....                                 | 13 |
| E. Endotoxin Control.....                                   | 14 |
| F. Time Limitations.....                                    | 14 |
| G. Process Validation and Equipment Qualification.....      | 14 |
| 1. Process Simulations.....                                 | 14 |
| 2. Filtration Efficacy.....                                 | 17 |
| 3. Sterilization of Equipment and Containers/Closures.....  | 18 |

|       |   |    |
|-------|---|----|
| H.    | Laboratory Controls .....   | 19 |
| 1.    | Environmental Monitoring .....  | 20 |
| 2.    | Microbiological Media and Identification .....  | 21 |
| I.    | Sterility Testing .....   | 22 |
| 1.    | Choice of Methods .....   | 22 |
| 2.    | Media .....   | 22 |
| 3.    | Personnel .....   | 23 |
| 4.    | Sampling and Incubation.....  | 23 |
| 5.    | Investigation of Sterility Positives .....  | 23 |
| J.    | Batch Record Review: Process Control Documentation.....   | 24 |
| IV.   | Processing Prior to Filling and Sealing Operations.....   | 25 |
| A.    | Aseptic Processing from Early Manufacturing Steps .....   | 25 |
| B.    | Aseptic Processing of Cell-Based Therapy Products (or of Products Intended for Use as Cell-Based Therapies) ..... | 25 |
| V.    | Aseptic Processing Isolators.....   | 25 |
| A.    | Maintenance .....   | 26 |
| 1.    | General.....  | 26 |
| 2.    | Glove Integrity.....  | 26 |
| B.    | Design.....   | 26 |
| 1.    | Airflow .....   | 26 |
| 2.    | Materials of Construction.....  | 26 |
| 3.    | Pressure Differential .....   | 26 |
| 4.    | Clean-Area Classifications .....  | 26 |
| C.    | Transfer of Materials and Supplies.....   | 26 |
| 1.    | Introduction .....  | 26 |
| 2.    | Discharge .....   | 27 |
| D.    | Decontamination .....   | 27 |
| 1.    | Surface Exposure .....  | 27 |
| 2.    | Efficacy .....  | 27 |
| 3.    | Frequency .....   | 27 |
| E.    | Filling Line Sterilization.....   | 27 |
| F.    | Environmental Monitoring.....   | 27 |
| G.    | Personnel .....   | 27 |
| VI.   | Blow-Fill-Seal Technology.....  | 28 |
| A.    | Equipment Design and Air Quality .....  | 28 |
| B.    | Validation and Qualification .....  | 28 |
| C.    | Batch Monitoring and Control.....   | 28 |
| VII.  | Lyophilization of Parenterals.....  | 29 |
| A.    | Introduction .....  | 29 |
| B.    | Product Type and Formulation .....  | 29 |
| C.    | Filling .....   | 30 |
| D.    | Lyophilization Cycle and Controls .....   | 31 |
| E.    | Cycle Validation .....  | 32 |
| F.    | Lyophilizer Sterilization and Design .....  | 32 |
| G.    | Finished Product Testing.....   | 34 |
| 1.    | Dose Uniformity.....  | 34 |
| 2.    | Stability Testing .....   | 34 |
| 3.    | Sterility Testing .....   | 34 |
| H.    | Finished Product Inspection — Meltback.....   | 34 |
| VIII. | High-Purity Water Systems .....   | 35 |
| A.    | System Design.....  | 35 |
| B.    | System Validation.....  | 35 |
| C.    | Microbial Limits .....  | 36 |
| 1.    | WFI Systems .....   | 36 |
| 2.    | Purified Water Systems .....  | 36 |

|    |                              |    |
|----|------------------------------|----|
| D. | WFI Systems .....            | 37 |
| E. | Still .....                  | 37 |
| F. | Heat Exchangers .....        | 37 |
| G. | Holding Tank .....           | 38 |
| H. | Pumps .....                  | 38 |
| I. | Piping .....                 | 38 |
| J. | Reverse Osmosis .....        | 38 |
| K. | Purified Water Systems ..... | 39 |
| L. | Process Water .....          | 39 |
| M. | Evaluation Strategy .....    | 39 |
|    | References .....             | 40 |

## Chapter 2

|      |  |    |
|------|--|----|
|      | New Drug Application for Sterilized Products .....                                 | 45 |
| I.   | Introduction .....   | 45 |
| II.  | Terminal Heat Sterilization .....  | 45 |
|      | A. Description of the Process and Product .....                                    | 45 |
|      | B. Thermal Qualification of the Cycle .....  | 45 |
|      | C. Microbiological Efficacy of the Cycle .....                                     | 46 |
|      | D. Microbiological Monitoring of the Environment .....                             | 46 |
|      | E. Container/Closure and Package Integrity .....                                   | 47 |
|      | F. Bacterial Endotoxins Test and Method .....                                      | 47 |
|      | G. Sterility Testing Methods and Release Criteria .....                            | 47 |
|      | H. Evidence of Formal Written Procedures .....                                     | 47 |
| III. | Other Terminal Sterilization Processes .....                                       | 47 |
|      | A. Ethylene Oxide .....  | 47 |
|      | B. Radiation .....   | 48 |
| IV.  | Aseptic Fill Manufacturing Processes .....   | 48 |
|      | A. Buildings and Facilities .....  | 48 |
|      | B. Overall Manufacturing Operation .....   | 48 |
|      | C. Containers and Closures .....   | 49 |
|      | D. Procedures and Specifications for Media Fills .....                             | 49 |
|      | E. Actions Concerning Product when Media Fills Fail .....                          | 49 |
|      | F. Microbiological Monitoring of the Environment .....                             | 49 |
|      | G. Container/Closure and Package Integrity .....                                   | 50 |
|      | H. Sterility Testing Methods and Release Criteria .....                            | 50 |
|      | I. Bacterial Endotoxins Test and Method .....                                      | 50 |
|      | J. Evidence of Formal Written Procedures .....                                     | 50 |
| V.   | Maintenance of Microbiological Control and Quality: Stability Considerations ..... | 50 |
|      | A. Container/Closure Integrity .....   | 50 |
|      | B. Preservative Effectiveness .....  | 50 |
|      | C. Pyrogen or Endotoxin Testing .....  | 50 |

## Chapter 3

|  |   |    |
|--|---|----|
|  | Manufacturing Formulations Template .....     | 51 |
|  | Autoclaves .....                              | 54 |
|  | Aseptic Contract Manufacturers .....          | 54 |
|  | Clean Room Design and Construction .....      | 55 |
|  | Clean-in-Place/Steam-in-Place (CIP/SIP) ..... | 55 |
|  | Closure Washing and Sterilization .....       | 56 |
|  | Consultants .....                             | 56 |
|  | Disinfectants and Preservatives .....         | 56 |
|  | Distillation Equipment .....                  | 57 |
|  | Engineering and Construction .....            | 57 |

|  |    |
|--|----|
| Filling Machines .....                             | 57 |
| Filter Aids .....                                  | 58 |
| Flowmeters (Sanitary) .....                        | 58 |
| Freeze-Dryers (Sterilizable).....                  | 58 |
| Microfiltration Equipment and Filters.....         | 58 |
| Pumps (Sanitary) .....                             | 59 |
| Sterile Tanks and Related Stainless Equipment..... | 60 |
| Sterility Test Equipment .....                     | 60 |
| Sterilizing and Drying Tunnels (Hot Air).....      | 60 |
| Stoppering Machines .....                          | 60 |
| Vial and Bottle Washers .....                      | 61 |

## Part II

### **Sterile Pharmaceutical Formulations .....63**

|  |    |
|--|----|
| Abciximab Injection .....  | 65 |
| Acetazolamide Injection.....   | 65 |
| Acetylcholine Chloride Intraocular Solution.....                           | 66 |
| Acyclovir Sodium Injection.....  | 66 |
| Adenosine Injection.....   | 67 |
| Adrenal Cortex Injection.....  | 67 |
| Adrenaline Tartarate Injection.....  | 67 |
| Alatrofloxacin Mesylate Injection.....                                     | 68 |
| Albumin (Human) .....  | 70 |
| Albuterol Sulfate Inhalation Solution .....                                | 71 |
| Aldesleukin for Injection .....  | 71 |
| Alemtuzumab Injection .....  | 71 |
| Alpha Tocopherol (Vitamin E) Injection .....                               | 72 |
| Alprostadil for Injection.....   | 72 |
| Alteplase Recombinant Injection.....                                       | 72 |
| Amikacin Sulfate Injection .....   | 73 |
| Amino Acid Parenteral Nutrition Solution.....                              | 75 |
| Aminohippurate Sodium for Injection.....                                   | 77 |
| Aminophylline Injection .....  | 78 |
| Amiodarone Injection.....  | 79 |
| Amoxicillin–Clavulanic Acid Injection .....                                | 80 |
| Amoxicillin Powder for Injection.....                                      | 80 |
| Amphotericin B Cholesteryl Sulfate Complex for Injection.....              | 81 |
| Amphotericin B Injection.....  | 82 |
| Amphotericin B Lipid Complex Injection.....                                | 83 |
| Amphotericin B Liposome for Injection .....                                | 83 |
| Antazoline Sulfate and Xylometazoline Hydrochloride Ophthalmic Drops ..... | 84 |
| Antipyrine, Phenylephrine, and Pyrilamine Maleate Ophthalmic Drops .....   | 85 |
| Antipyrine, Phenylephrine, and Sodium Thiosulfate Ophthalmic Solution..... | 86 |
| Antithymocyte Globulin (Rabbit) for Injection.....                         | 87 |
| Aprotinin Injection .....  | 87 |
| Argatroban (Thrombin Inhibitor) Injection .....                            | 88 |
| Arsenic Trioxide Injection .....   | 88 |
| Ascorbic Acid and B-Complex Vitamins.....                                  | 89 |
| Ascorbic Acid, B-Complex Vitamin, with Beta Carotene Injection .....       | 93 |
| Ascorbic Acid Injection .....  | 94 |
| Ascorbic Acid, USP, Injection.....   | 94 |
| Ascorbic Acid, USP, 250 mg/mL Injection.....                               | 95 |
| Asparaginase for Injection.....  | 95 |

|  |     |
|--|-----|
| Atropine, Chlorpheniramine Maleate, and Phenylpropanolamine Injection..... | 95  |
| Atropine Sulfate Injection.....  | 96  |
| Aztreonam for Injection.....   | 97  |
| Basiliximab for Injection.....   | 97  |
| B-Complex Injection.....   | 98  |
| B-Complex, Vitamin D, Vitamin E Lyophilized Injection.....                 | 103 |
| B-Complex Vitamin Veterinary.....  | 106 |
| B-Complex with Minerals Injection (Veterinary).....                        | 107 |
| B-Complex Vitamins with Hormones.....                                      | 107 |
| B-Complex Vitamins with Liver Extract Injection.....                       | 108 |
| Benzodiazepine Injection.....  | 108 |
| Benztropine Mesylate Injection.....  | 108 |
| Beta-Carotene Injection.....   | 109 |
| Betamethasone Suspension Injection.....                                    | 109 |
| Bethanechol Chloride Injection.....  | 109 |
| Biotin Injection.....  | 110 |
| Biperiden Lactate Injection.....   | 110 |
| Bisantrene Emulsion Injection.....   | 111 |
| Borax Sodium Lubricating Ophthalmic Drops.....                             | 112 |
| Botulinum Toxin.....   | 113 |
| Bretylum Tosylate in Dextrose Injection.....                               | 113 |
| Buflomedil Injection.....  | 114 |
| Bupivacaine Hydrochloride Injection.....                                   | 115 |
| Buprenorphine Hydrochloride Injectable.....                                | 116 |
| Caffeine Citrate Injection.....  | 116 |
| Calcitonin Injection.....  | 117 |
| Calcitriol Injection.....  | 118 |
| Calcium Glycerophosphate Injection.....                                    | 120 |
| Calcium Injection.....   | 121 |
| Camphor Injection.....   | 121 |
| Camptothecin Injection.....  | 122 |
| Carboplatin for Infusion.....  | 122 |
| Carboplatin Injection.....   | 122 |
| Carprofen Injection.....   | 123 |
| Cefamandole Nafate for Injection.....                                      | 123 |
| Cefazolin Injection.....   | 123 |
| Cefepime Hydrochloride for Injection.....                                  | 124 |
| Cefotaxime Injection.....  | 124 |
| Cefotetan Injection.....   | 124 |
| Cefoxitin Injection Premixed Intravenous Solution.....                     | 124 |
| Ceftazidime for Injection -- L-Arginine Formulation.....                   | 125 |
| Ceftazidime Injection.....   | 125 |
| Ceftriaxone Injection.....   | 126 |
| Cefuroxime for Injection.....  | 127 |
| Cetorelix Acetate for Injection.....                                       | 127 |
| Chloramphenicol and Phenylmercuric Nitrate Ophthalmic Drops.....           | 128 |
| Chloramphenicol for Injection.....   | 129 |
| Chloramphenicol Injection.....   | 130 |
| Chloramphenicol Sodium Succinate for Injection.....                        | 131 |
| Chlordiazepoxide Hydrochloride Injection.....                              | 131 |
| Chloroprocaine Hydrochloride Injection.....                                | 132 |
| Chloroquine Phosphate Injection.....                                       | 132 |
| Chlorothiazide Sodium for Injection.....                                   | 132 |
| Chlorpheniramine Maleate Injection.....                                    | 133 |
| Chlorpromazine Hydrochloride Injection.....                                | 134 |

|  |     |
|--|-----|
| Choriogonadotropin Alfa (Recombinant) for Injection .....  | 134 |
| Chorionic Gonadotropin for Injection .....   | 135 |
| Chromium Chloride Additive Injection .....   | 136 |
| Cidofovir Injection .....  | 136 |
| Cimetidine Injection .....   | 137 |
| Ciprofloxacin Hydrochloride Ophthalmic Solution .....  | 137 |
| Ciprofloxacin Injection .....  | 138 |
| Cisplatin Diaminedichloride Injection .....  | 138 |
| Cisplatin with 2,2 $\epsilon$ -Dithio-bis-Ethane Sulfonate Injection .....                               | 139 |
| Cladribine Injection Infusion .....  | 139 |
| Clarithromycin Injection .....   | 140 |
| Clindamycin Injection in 5% Dextrose .....   | 141 |
| Clindamycin Phosphate Injection .....  | 142 |
| Clonidine Hydrochloride Injection .....  | 143 |
| Coagulation Factor VIIa (Recombinant) for Injection .....  | 143 |
| Coagulation Factor IX (Recombinant) for Injection .....  | 143 |
| Colistin Sulfate, Neomycin Sulfate, Thonzonium Bromide, and Hydrocortisone Acetate Otic Suspension ..... | 144 |
| Conjugated Estrogens for Injection .....   | 144 |
| Copper Sulfate Additive Injection .....  | 145 |
| Corticotropin Ovine Triflutate for Injection .....   | 145 |
| Cortisone Acetate Injectable Suspension .....  | 146 |
| Cosyntropin for Injection .....  | 146 |
| Cromolyn Sodium Ophthalmic Solution .....  | 146 |
| Crude Liver Extract Injection .....  | 147 |
| Cyanocobalamin and Thiamine Injection .....  | 147 |
| Cyanocobalamin, Choline, and Niacinamide Injection .....   | 147 |
| Cyanocobalamin Injection .....   | 148 |
| Cyanocobalamin Injection for Veterinary Use .....  | 149 |
| Cyanocobalamin Repository Injection 1000 mg/mL .....   | 149 |
| Cyanocobalamin, Pyridoxine, and Thiamine Injection .....   | 150 |
| Cyclosporine Ampoules for Infusion .....   | 152 |
| Cytarabine Liposome Injection for Intrathecal Use, 50 mg/5 mL Vial .....                                 | 153 |
| Cytomegalovirus Immune Globulin Intravenous (Human) .....  | 153 |
| Dacarbazine Injection .....  | 154 |
| Daclizumab for Injection .....   | 154 |
| Dactinomycin for Injection .....   | 155 |
| Dalteparin Sodium Injection .....  | 155 |
| Danaparoid Sodium Injection .....  | 156 |
| Dantrolene Sodium for Injection .....  | 156 |
| Dapiprazole Hydrochloride Ophthalmic Solution, 0.5% .....  | 156 |
| Damurubicin .....  | 157 |
| Desmopressin Acetate Injection-Intranasal .....  | 158 |
| Dexamethasone Acetate Suspension Injection .....   | 159 |
| Dexpanthenol, Niacinamide, Pyridoxine, Riboflavin, and Thiamine Injection .....                          | 162 |
| Dextrazoxane for Injection .....   | 163 |
| Dextrose 25% Injection (Flexible Container) .....  | 163 |
| Dextrose Injection 5% and 10% LVP .....  | 164 |
| Dextrose with Sodium Chloride Injection LVP .....  | 164 |
| Diazepam Emulsion Injection .....  | 165 |
| Diazepam Injection .....   | 166 |
| Diazepam Rectal Solution .....   | 167 |
| Dibenzazepine Carboxamide Injection .....  | 167 |
| Diclofenac Injection .....   | 168 |
| Dicyclomine Hydrochloride Injection .....  | 170 |
| Digoxin Injection .....  | 171 |

| Manganese Sulfate Injection.....   | 247 |
| Mechlorethamine Hydrochloride for Injection Trituration.....             | 247 |
| Medroxyprogesterone Acetate Sterile Aqueous Suspension .....             | 248 |
| Medroxyprogesterone and Estradiol Sterile Suspension .....               | 249 |
| Melphalan Hydrochloride for Injection .....                              | 250 |
| Menadione Injection.....   | 250 |
| Menadione Sodium Bisulfite Injection Veterinary .....                    | 251 |
| Menotropins for Injection .....  | 251 |
| Meperidine Hydrochloride Injection.....                                  | 252 |
| Meperidine Hydrochloride and Promethazine Hydrochloride Injection.....   | 252 |
| Mepivacaine Hydrochloride Injection.....                                 | 253 |
| Meropenem for Injection .....  | 253 |
| Mesoridazine Besylate Injection.....                                     | 254 |
| Metaraminol Bitartrate Injection.....                                    | 254 |
| Methandriol Dipropionate Injection.....                                  | 254 |
| Methocarbamol Injection .....  | 254 |
| Methohexital Sodium for Injection.....                                   | 255 |
| Methylprednisolone Acetate Suspension Injection.....                     | 255 |
| Metoclopramide Injection .....   | 256 |
| Metolazone Injection.....  | 257 |
| Metronidazole Infusion .....   | 257 |
| Metronidazole Injection .....  | 258 |
| Metronidazole and Dextrose Infusion.....                                 | 259 |
| Midazolam Hydrochloride Injection .....                                  | 259 |
| Milrinone Lactate Injection.....   | 259 |
| Mineral Complex Injection .....  | 260 |
| Mitoxantrone for Injection.....  | 260 |
| Morphine Sulfate Infusion .....  | 260 |
| Morphine Sulfate Injection .....   | 261 |
| Moxidectin Injection .....   | 261 |
| Multiple Electrolytes and Dextrose Injection (Elliott's B Solution)..... | 262 |
| Muromonab-CD3 Injection .....  | 262 |
| Nalbuphine Hydrochloride .....   | 263 |
| Naloxone Hydrochloride Injection.....                                    | 263 |
| Nandrolone Decanoate Injection .....                                     | 264 |
| Nandrolone Phenylpropionate Injection .....                              | 264 |
| Naphazoline Ophthalmic Drops.....  | 265 |
| Natamycin Ophthalmic Suspension .....                                    | 266 |

| Ringer Lactate Solution Injection.....                     | 311 |
| Rituximab Injection.....                                   | 312 |
| Rubella Virus Vaccine Live.....                            | 312 |
| Salbutamol Aerosol for Inhalation.....                     | 313 |
| Sisomicin Injection.....                                   | 314 |
| Sodium Bicarbonate and Disodium Edetate Injection.....     | 315 |
| Sodium Bicarbonate Injection.....                          | 316 |
| Sodium Chloride Bacteriostatic Injection.....              | 317 |
| Sodium Chloride Injection.....                             | 317 |
| Sodium Ferric Gluconate Complex in Sucrose Injection.....  | 317 |
| Sodium Hyaluronate Injection.....                          | 318 |
| Sodium Lactate Compound (Hartmann's) Injection.....        | 318 |
| Sodium Thiosulfate Injection.....                          | 318 |
| Somatropin (rDNA Origin) Injection.....                    | 319 |
| Sterile Water for Injection.....                           | 320 |
| Streptomycin Sulfate Injection.....                        | 320 |
| Succinylcholine Chloride Injection.....                    | 321 |
| Sumatriptan Succinate Injection.....                       | 322 |
| Tenecteplase for Injection.....                            | 322 |
| Testosterone Injection.....                                | 323 |
| Tetrahydrozoline Ophthalmic Drops.....                     | 325 |
| Theophylline and Dextrose Injection.....                   | 326 |
| Thiamine Hydrochloride Injection.....                      | 327 |
| Thiopental Sodium for Injection.....                       | 328 |
| Thiotepa for Injection.....                                | 329 |
| Thiothixene Hydrochloride Injection.....                   | 329 |
| Thyrotropin Alfa for injection.....                        | 329 |
| Timolol Ophthalmic Solution.....                           | 329 |
| Tinzaparin Sodium Injection.....                           | 330 |
| Tirofiban Hydrochloride Injection.....                     | 330 |
| Tobramycin Solution for Inhalation.....                    | 330 |
| Tobramycin Sulfate Injection.....                          | 331 |
| Topotecan Hydrochloride for Injection.....                 | 332 |
| Trace Element Concentrate Injection.....                   | 333 |
| Tranexamic Acid Injection.....                             | 333 |
| Trastuzumab for Injection.....                             | 334 |
| Triamcinolone Acetonide Suspension Injection.....          | 334 |
| Triflupromazine Hydrochloride Injection.....               | 335 |
| Tripelemmamine Hydrochloride Injection Veterinary.....     | 336 |
| Tubocurarine Chloride Injection.....                       | 336 |
| Typhoid Vi Polysaccharide Vaccine.....                     | 337 |
| Uridine Triphosphate Injection.....                        | 337 |
| Urokinase for Injection.....                               | 337 |
| Valproate Sodium Injection.....                            | 338 |
| Valrubicin for Intravesical Instillation.....              | 338 |
