

A classical painting depicting a scene with several men and horses in a wooded area. In the foreground, a white horse is rearing up on its hind legs, with a man in a white shirt and dark pants reaching towards its head. To the left, another man in a blue shirt and dark cap stands near a white horse. In the center, a brown horse is being led by a man in a white shirt. To the right, another white horse is being led by a man in a white shirt. The background shows a dense forest of trees with warm, golden-brown foliage, suggesting an autumn or late summer setting. The overall style is that of a 19th-century academic painting.
