

THE POWER OF **eLEARNING**

The Essential Guide for Teaching
in the Digital Age

Shirley Waterhouse

Preface xv

PART I PEDAGOGY AND PLANNING 1

CHAPTER ONE

eLearning Fundamentals 3

BASIC ELEARNING CONCEPTS 3

- Pedagogy, Andragogy, and eLearning Pedagogy 4
- Some Terms Relevant to eLearning Pedagogy 4

LEARNING MANAGEMENT SYSTEMS AND COURSESITES 5

- Rising Popularity of LMS Software 7
- LMS Functionality 8
- Example Uses of LMS Functionality 9

ELEARNING'S POTENTIAL TO IMPROVE TEACHING AND LEARNING 9

- eLearning Facilitates Student-Centered Learning 10
- eLearning Facilitates Anytime-Anyplace Learning 10
- eLearning Facilitates Student Interaction with Course Content 11
- eLearning Facilitates and Promotes Communication and Collaboration 12
- eLearning Makes Course Administration Easier 13
- eLearning Helps Track Students' Time on Task 13
- eLearning Can Reduce the Cost of Delivering Instruction 14
- eLearning Adds a Worldwide Dimension to Courses 16
- Online Learning Exemplars 17

MAJOR ELEARNING CHALLENGES 19

- Technology Challenges 19
- Instructor Challenges 20
- Effectiveness Challenges 22

SIX STEPS FOR GETTING STARTED 23

- Step One—Ask Yourself Why 23
- Step Two—Make a Commitment 24
- Step Three—Develop a New Vision for Your Course and How You Teach 24
- Step Four—Determine the Resources Available to You 25

Step Five—Acquire New Technology Skills and Develop New Instructional Methods	25
Step Six—Plan	26

CHAPTER TWO

eLearning Pedagogy 30

THREE NOTED PEDAGOGICAL WORKS RELATED TO ELEARNING	30
The Seven Principles for Good Practice in Undergraduate Education	31
Bloom's Taxonomy of Intellectual Behaviors	33
Gagne's Nine Events of Instruction	34
STUDENT-CENTERED INSTRUCTION AND ELEARNING	37
The Lecture Delivery Format Is Revised	39
The Instructor Becomes a Facilitator	40
Learning Styles Are Addressed	40
Students Are Provided Choices	42
Web-Based Interaction with Content Is Implemented	42
Student Communication and Collaboration Are Increased	43
Problem-Based Learning Is Implemented	43
Self-Assessment Is Used as a Learning Activity	43
Portfolio Assessment Is Implemented	43
TERMS TO DESCRIBE ELEARNING DELIVERY MODES	44
Distance Learning	44
Online Learning	44
Hybrid eLearning Delivery Mode	45
Synchronous versus Asynchronous Learning and Communications	45

CHAPTER THREE

The eLearning Planning Process 48

THE IMPORTANCE OF ELEARNING PLANNING	48
THE VPODDDA COURSE INSTRUCTION CYCLE	50
Vision Phase	50
Profile Phase	50
Objectives Phase	51
Design Phase	51
Development Phase	51
Delivery Phase	51
Assessment Phase	52

THE VPODD ELEARNING PLANNING MODEL 52

Vision Planning Phase	53
Profile Planning Phase	54
Objectives Planning Phase	58
Design and Development Planning Phases	60

ITERATIVE REFINEMENT 64**REUSABLE ELEARNING RESOURCES 66****PART II TOOLS AND RESOURCES 71**

CHAPTER FOUR**eLearning Tools 73****LMS FUNCTIONALITY 73**

One-Way Communication Tools	73
Two-Way Communication Tools	79
Organizational Tools	82

ELEARNING RESOURCE ACCESS PROBLEMS 84

Incompatible File Formats	85
Long Download Times	86

OTHER TOOLS FOR CREATING OR ACCESSING ELEARNING RESOURCES 88

Tools for Creating eLearning Resources	88
Resource Access Tools	90

CHAPTER FIVE**One-Way Communication: Distributing
Information Electronically 97****ELECTRONIC VERSUS PAPER DISTRIBUTION 97****FOUR CATEGORIES OF ELECTRONIC INFORMATION 98**

Textual Information	98
Presentation Graphics Slide Shows	98
Spreadsheets and Databases	99
Multimedia Objects	99

ANNOUNCEMENTS 99

Uses of Announcements	99
Formatting Announcements	100

DOCUMENT DESIGN 100

- Chunk Information 102
- Use White Space, Bulleted Lists, and Text Attributes to Simplify Textual Display 102
- Use URL Links Appropriately 102
- Use Text Links within Documents 103
- Address User Viewing Preferences 107
- Require Standard File Formats 107
- Summary of Document Design Techniques 107

DESIGNING PRESENTATION GRAPHICS SLIDE SHOWS 108

- Brevity: The Six-by-Six Rule 109
- Use Special Effects and URL Links Sparingly 109
- Control File Sizes to Minimize Download Times 110
- Summary of Slide Show Design Techniques 110

AN OVERVIEW OF MULTIMEDIA 110

- Images 111
- Animations 113
- Audio and Video 114
- Dealing with Large Audio and Video Files 115

CHAPTER SIX**Two-Way Communication: Electronic Discussions 120****OVERVIEW OF ELECTRONIC DISCUSSIONS 120**

- Types of Discussions 121
- Benefits of Discussions 122
- Disadvantages of Discussions 124
- Netiquette, Emoticons, and Acronyms 126

PLANNING AND ADMINISTERING DISCUSSIONS 127

- Generic Planning Considerations 127
- Guidelines for Student Participation in Discussions 131
- Facilitating Discussions 132

CATEGORIES OF DISCUSSION TOPICS 134

- Discussions to Promote Critical Thinking 134
- Brainstorming Discussions 134
- Discussions to Summarize and Clarify 135
- New Topics Discussions 135
- Water Fountain Discussions 136
- Get Help/Online Tutoring Discussions 136
- Private Consultation Discussions 137
- Frequently Asked Questions (FAQ) Discussions 137

Homework Discussions	138
Guest Speakers Discussions	138
Mentoring Discussions	138
Field Experience Discussions	139
Small Group Meeting Discussions	139
Discussions to Reinforce Foreign Language Skills	139
Discussions to Quiz Students	139
Role-Playing Discussions	139

CHAPTER SEVEN

External Resources 142

EXAMPLES OF SPECIALIZED ONLINE EDUCATIONAL RESOURCES 142

Virtual Experiments	143
Online Expeditions	144
Online Museums	145
Online Periodicals	147
Textbook Supplements	148
Miscellaneous Liberal Arts Learning Resources	149

EXAMPLES OF DIGITAL LIBRARY RESOURCES 152

General-Purpose Digital Libraries	153
Specialized Digital Libraries	154
Online Periodical Collections	154
Ebook Collections	155

WEB RESEARCH 156

The Role of Librarians in Web Research	156
Search Engines	157
Evaluating the Quality of Websites	158

DESIGNING WEB RESEARCH ASSIGNMENTS 159

Coordinate Assignments with Learning Content	161
Design Thought-Provoking Assignments	161
Provide Specific Assignment Instructions	162
Address Student Workloads	162

CHAPTER EIGHT

Coursesite Design and Maintenance 166

COURSESITE ARCHITECTURE 166

Characteristics of an Effective Architecture	167
--	-----

Two Alternative Architectures	167
Objectivist versus Constructivist Architectures	170

COURSESITE ACCESS FOR STUDENTS WITH DISABILITIES 172

Voluntary Compliance with Federal Law	173
How to Accommodate Special Needs	174
Assistive Technologies	175
Checking Websites for Disabilities Access Compliance	175
Summary	176

EVALUATING COURSESITE USABILITY 176

FILE MAINTENANCE 178

System Administrator Policies	178
Course Resource File Backups	178
Backing Up Other Files	179
Student Assignments	181

PART III COURSE MANAGEMENT 185

CHAPTER NINE

Intellectual Property Rights and Course Policies 187

INTELLECTUAL PROPERTY RIGHTS 187

eLearning Implications of Copyright Law	188
Respecting Copyright Law: Fair Use Guidelines	188
Protecting Your Intellectual Property	190

COURSE POLICIES 195

eLearning Policies in the Course Syllabus	196
Student Privacy Policies	196
Intellectual Property Rights Policies	197
Email Policies	198
Discussion Policies	199
Assignment Policies	199
Getting Technical Help Policies	201
Student Code of Conduct Policies	202

CHAPTER TEN

Course Delivery 207

GETTING A GOOD START 207

Technology Check	207
------------------	-----

Student Orientation	210
Profile Students	213
Conduct Getting-Acquainted Activities	215
MANAGING STUDENTS	217
Motivating Students	217
Obtaining Student Feedback	218
Giving Students Feedback	222
Processing Assignments	223
Dealing with Difficult Students	225
MANAGING ONLINE TEAM PROJECTS	227
Advantages of Online Team Collaborations	227
Technology Tools to Facilitate Online Team Collaborations	228
Promoting Successful Team Collaborations	229

CHAPTER ELEVEN

eLearning Assessment 237

ASSESSING STUDENT PERFORMANCE	237
Testing	238
Portfolio Assessment	238
Student Participation	239
Self- and Peer Evaluation	240
Encouraging Student Integrity	242
ASSESSING COURSE AND COURSESITE EFFECTIVENESS	245
Student Feedback	245
Peer Evaluation	248
ASSESSING ELEARNING VERSUS TRADITIONAL LEARNING	248

Index	255
--------------	------------
