

Companion Animals

Their Biology,
Care, Health,
and Management

Karen L. Campbell
James E. Corbin
John R. Campbell

Preface xxi

Acknowledgments xxiii

■ CHAPTER 1: *Companion Animals*

1

1.1	Introduction/Overview	1
1.2	Companion Animals Defined	5
1.3	Domestication of Companion Animals	5
1.3.1	Dogs	6
1.3.2	Cats	8
1.4	Contributions of Companion Animals to Humans and Society	9
1.5	Human–Companion Animal Bonding	10
1.6	Therapeutic Uses of Companion Animals	11
1.6.1	Animal-Assisted Therapy (AAT)	11
1.7	Trends in Companion Animal Populations	13
1.8	Summary	14
1.9	References	15

■ CHAPTER 2: *Companion Animal Industry*

16

2.1	Introduction/Overview	17
2.2	Annual Expenditures for Care of Companion Animals	18
2.3	The Petfood Industry	18
2.3.1	First Commercial Dog Food and Selected Products that Followed	18
2.3.2	Size and Scope of Petfood and Pet Care-Related Industries	23
2.3.3	Petfood Treats and Snacks	24
2.3.4	Trends in Petfoods and Related Product Sales	24
2.3.5	Providing Standards and Quality Assurance in Petfood and Related Enterprises	24
2.4	Pet Services	25
2.5	Pet Supplies	25
2.5.1	Corporate Leaders in the Pet Supplies Industry	26
2.5.2	Pet Healthcare Companies	27
2.5.3	Herbs and Botanicals	27
2.6	Summary	27
2.7	References	28

■ CHAPTER 3: *Dog/Cat Breeds and Their Characteristics* 29

3.1	Introduction/Overview	30
3.2	Breeds and Characteristics of Dogs	32
3.3	American Kennel Club Groupings of Dog Breeds	33
3.3.1	Sporting Group	35
3.3.2	Hound Group	35
3.3.3	Working Group	36
3.3.4	Terrier Group	36
3.3.5	Toy Group	37
3.3.6	Non-Sporting Group	37
3.3.7	Herding Group	37
3.3.8	Miscellaneous Class	38
3.4	United Kennel Club	38
3.5	Characteristics of Cats	38
3.6	Historical Perspective of Cat Breeds	43
3.6.1	Pedigreed Cats	43
3.7	Cat Breeds Most Frequently Registered by the Cat Fanciers' Association	44
3.7.1	Persian Cats	45
3.7.2	Maine Coon Cats	45
3.7.3	Exotic Cats	46
3.7.4	Siamese Cats	46
3.7.5	Abyssinian Cats	46
3.7.6	Birman Cats	46
3.7.7	Oriental Cats	47
3.7.8	American Shorthair Cats	47
3.7.9	Tonkinese Cats	47
3.7.10	Burmese Cats	47
3.8	Summary	47
3.9	References	48

■ CHAPTER 4: *Choosing a Dog or Cat* 49

4.1	Introduction/Overview	50
4.2	Responsible Pet Ownership	51
4.2.1	Vaccinate and License Your Dog or Cat	51
4.3	Choosing a Dog or Cat	51
4.3.1	Male or Female	51
4.3.2	Breed	53
4.3.3	Temperament	54
4.3.4	Ease in Training	55
4.3.5	Puppy Aptitude Test (PAT)	55
4.3.6	Health Aspects	55
4.3.7	Genetic Screening	57
4.3.8	Parents and Siblings	58
4.3.9	Where to Purchase a Dog or Cat	58
4.3.10	The Sale/Purchase Contract	60
4.3.11	Full and Limited AKC Registration	60
4.3.12	Adopting an Older Pet	61
4.4	Other Factors in Choosing a Cat	61
4.4.1	Type of Cat	62
4.4.2	Health Aspects	62
4.4.3	Shopping for a Cat	62

4.5	Summary	63
4.6	References	63

■ CHAPTER 5: *Companion Birds*

64

5.1	Introduction/Overview	65	
5.2	Common Types of Companion Birds	66	
5.2.1	African Grey Parrots	66	
5.2.2	Amazon Parrots	66	
5.2.3	Budgies	67	
5.2.4	Canaries	68	
5.2.5	Cockatiels	69	
5.2.6	Cockatoos	69	
5.2.7	Conures	69	
5.2.8	Eclectus Parrots	69	
5.2.9	Lovebirds	70	
5.2.10	Macaws	70	
5.2.11	Quaker (Monk) Parakeets	70	
5.2.12	Parrotlets (Dwarf Parrots)	70	
5.3	Bird Anatomy and Physiology	71	
5.3.1	Feathers	71	
5.3.2	Beaks	72	
5.3.3	Skeletal System	72	
5.3.4	Respiratory System	72	
5.3.5	Digestive System	72	
5.3.6	Circulatory System	73	
5.3.7	Reproductive System	73	
5.3.8	Nutrition	73	
5.4	Companion Bird Husbandry	73	
5.4.1	Cages	73	
5.4.2	Aviaries	76	
5.4.3	Grooming	76	
5.5	Common Diseases of Birds	77	
5.5.1	Ascarids	77	
5.5.2	Aspergillosis	78	
5.5.3	Beak Disorders	78	
5.5.4	Chlamydiosis	78	
5.5.5	Egg Binding	78	
5.5.6	Gout	78	
5.5.7	Mites	79	
5.5.8	Newcastle Disease	79	
5.5.9	Pacheco's Parrot Disease	79	
5.5.10	Psittacine Proventricular Dilatation Syndrome	80	
5.5.11	Psittacine Beak and Feather Disease	80	
5.5.12	Salmonella	81	
5.6	Common Toxicological Hazards	81	
5.6.1	Zinc	81	
5.6.2	Lead	81	
5.6.3	Nicotine Products	82	
5.6.4	Inhalants	82	
5.6.5	Avocado	83	
5.6.6	Plants	83	
5.7	Summary	84	

5.8	References	84
5.9	Web Sites	85
5.10	About the Authors	85

CHAPTER 6: *Companion Reptiles and Amphibians* **86**

6.1	Pet Frogs	87
6.1.1	Introduction	87
6.1.2	Common Pet Frogs	87
6.1.3	Biology and Behavior	89
6.1.4	Husbandry (Care and Management)	90
6.1.5	Common Diseases	91
6.1.6	Zoonoses	92
6.2	Pet Lizards	93
6.2.1	Introduction	93
6.2.2	Common Pet Lizards	93
6.2.3	Biology and Behavior	96
6.2.4	Husbandry	97
6.2.5	Common Diseases	100
6.2.6	Zoonoses	100
6.3	Pet Snakes	101
6.3.1	Introduction	101
6.3.2	Common Pet Snakes	101
6.3.3	Biology and Behavior	103
6.3.4	Husbandry	104
6.3.5	Common Diseases	108
6.3.6	Zoonoses	109
6.4	Pet Turtles and Tortoises	109
6.4.1	Introduction	109
6.4.2	Common Pet Turtles	110
6.4.3	Biology and Behavior	111
6.4.4	Husbandry	112
6.4.5	Common Diseases	114
6.4.6	Zoonoses	115
6.5	Summary	115
6.6	References	115
6.7	About the Author	116

CHAPTER 7: *Companion Rodents, Ferrets, and Lagomorphs* **117**

7.1	Chinchillas	119
7.1.1	Introduction	119
7.1.2	Biology/Husbandry	119
7.1.3	Breeding	121
7.1.4	Diseases	122
7.1.5	Zoonoses	123
7.2	Gerbils	123
7.2.1	Introduction	123
7.2.2	Physiology, Biology, and Behavior	123
7.2.3	Breeding	125
7.2.4	Husbandry	125
7.2.5	Common Diseases	126
7.2.6	Zoonoses	126

7.3	Guinea Pigs	126	
7.3.1	Introduction	126	
7.3.2	Biology and Behavior	127	
7.3.3	Husbandry	128	
7.3.4	Breeding	128	
7.3.5	Common Diseases	129	
7.3.6	Miscellaneous Diseases	130	
7.3.7	Zoonoses	130	
7.4	Hamsters	131	
7.4.1	Introduction	131	
7.4.2	Anatomy and Selected Characteristics	132	
7.4.3	Biology and Behavior	133	
7.4.4	Husbandry	133	
7.4.5	Breeding	134	
7.4.6	Common Diseases	134	
7.4.7	Parasites	135	
7.4.8	Kidney Failure	135	
7.4.9	Atrial Thrombosis	135	
7.4.10	Neoplasia/Tumors	135	
7.4.11	Zoonoses	135	
7.5	Ferrets	136	
7.5.1	Introduction	136	
7.5.2	Biology	136	
7.5.3	Husbandry	138	
7.5.4	Diseases	139	
7.5.5	Other Conditions	141	
7.5.6	Zoonoses	142	
7.6	Rabbits	142	
7.6.1	Introduction	142	
7.6.2	Anatomy	142	
7.6.3	Physiology	143	
7.6.4	Behavior	143	
7.6.5	Housing	144	
7.6.6	Nutrition	144	
7.6.7	Reproduction	145	
7.6.8	Diseases	145	
7.6.9	Zoonoses	148	
7.7	Mice and Rats	148	
7.7.1	Introduction	148	
7.7.2	Anatomy	149	
7.7.3	Physiology	150	
7.7.4	Husbandry	151	
7.7.5	Common Diseases	152	
7.7.6	Zoonoses	153	
7.8	Summary	153	
7.9	References	154	
7.10	About the Authors	155	

CHAPTER 8: *Records and Case Histories*

156

8.1	Introduction/Overview	156
8.2	Animal Name and Identification	157
8.3	Pedigree	157
8.4	Breeder Records	157

8.5	Health Records for Owners	157
8.6	Medical Records	158
	8.6.1 Problem-Oriented Medical Record	159
8.7	Case Histories (Examples)	160
8.8	Summary	165
8.9	References	165

■ CHAPTER 9: *Feeding and Nutrition*

166

9.1	Introduction/Overview	168
9.2	From Searching for Food in the Wild to Scientific Feeding and Nutrition	168
9.3	Nutrient Intake and Terminology	169
	9.3.1 Food Preferences: Palatability and Acceptability	169
9.4	Nutrients	170
	9.4.1 Water	171
	9.4.2 Carbohydrates	171
	9.4.3 Fats	172
	9.4.4 Protein	174
	9.4.5 Vitamins	175
	9.4.6 Minerals	178
9.5	Nutrient Requirements of Dogs and Cats	183
	9.5.1 Water Requirements	184
	9.5.2 Energy Requirements	184
	9.5.3 Protein Requirements	186
	9.5.4 Unique Nutrient Requirements of Cats	186
9.6	Digestion and Absorption of Nutrients	187
9.7	Practical Feeding Management for Dogs and Cats	189
	9.7.1 Types of Food: Sources and Quality	189
	9.7.2 Types of Petfoods: Physical Forms	189
	9.7.3 Snacks and Treats	191
	9.7.4 Methods of Feeding	191
	9.7.5 Pregnant/Lactating Animals	192
	9.7.6 Early Development and Feeding of Puppies	192
	9.7.7 Kitten Care and Feeding	194
	9.7.8 Orphan Feeding and Care	194
	9.7.9 Nutrition and Endurance in Dogs	195
	9.7.10 Exercise Physiology and Nutrition in Dogs	195
	9.7.11 Stress/Performance Diets	197
	9.7.12 Feeding Geriatric Dogs and Cats	198
9.8	Labeling Dog and Cat Foods	198
	9.8.1 Nutritional Adequacy on Label	199
	9.8.2 Label Information	199
	9.8.3 Feeding Directions	200
	9.8.4 Use of the Term <i>Natural</i>	200
	9.8.5 Quality Assurance of Petfoods	200
9.9	Nutritional Counseling and Marketing Petfoods	201
9.10	Analysis of Commercial Petfoods	201
9.11	Common Problems and Errors in Feeding Dogs and Cats	202
9.12	Nutrition and Disease: Therapeutic Petfoods	203
9.13	Role of Dietary Functional Fiber in Petfoods	206
9.14	Mycotoxin Concerns in Petfoods	206
9.15	Xenobiotic Concerns in Petfoods	207
9.16	Petfood Additives	207
	9.16.1 Antioxidants	207
	9.16.2 Why Coloring Materials Are Added to Petfoods	207

9.17	Nutraceuticals/Herbs/Botanicals	208
9.17.1	Creatine Monohydrate	208
9.17.2	Methylsulfonylmethane	209
9.17.3	Glucosamine	209
9.17.4	Omega-3 Fatty Acids	209
9.17.5	Probiotics	209
9.17.6	Prebiotics	209
9.17.7	Ethoxyquin	210
9.17.8	Propylene Glycol	210
9.17.9	Yucca Schidigera	210
9.18	Genetically Modified Organisms (GMOs)	210
9.19	Summary	211
9.20	References	211

■ CHAPTER 10: *Reproductive Biology of Dogs and Cats* 212

10.1	Introduction/Overview	213
10.2	Myths and Considerations Regarding Breeding of Dogs and Cats	213
10.3	Canine Reproduction	214
10.3.1	Reproductive Anatomy of the Bitch	214
10.3.2	Physiology of Reproduction in Bitches	215
10.3.3	Canine Male Reproductive Anatomy	216
10.3.4	Reproductive Endocrinology of Male Dogs	217
10.3.5	Breeding Management of Dogs	217
10.3.6	Artificial Insemination	220
10.3.7	Pregnancy	221
10.3.8	Parturition	224
10.3.9	Common Reproductive Problems of Dogs	226
10.4	Feline Reproduction	228
10.4.1	Reproductive Anatomy of the Queen	228
10.4.2	Physiology of Reproduction in Queens	228
10.4.3	Feline Male Reproductive Anatomy and Physiology	229
10.4.4	Breeding Management of Cats	230
10.4.5	Artificial Insemination	230
10.4.6	Pregnancy	230
10.4.7	Parturition	230
10.4.8	Care of the Postparturient Queen	230
10.4.9	Care of the Newborn Kittens	231
10.5	Prevention of Estrous Cycles	231
10.6	Sterilization of Males	231
10.7	Summary	232
10.8	References	232

■ CHAPTER 11: *Anatomy and Physiology of Cats and Dogs*

233

11.1	Introduction/Overview	234
11.2	External Body Parts	234
11.3	The Integumentary System	234
11.4	The Skeletal System	237
11.5	The Muscular System	240
11.6	The Circulatory System	241
11.7	The Lymphatic System	244
11.7.1	Tonsils	244
11.7.2	Thymus	244

11.7.3	Spleen	244
11.7.4	Lymph Nodes	244
11.7.5	Lymphatic Vessels	245
11.7.6	Lymphocytes	245
11.8	The Respiratory System	245
11.9	The Nervous System	247
11.10	The Urinary System	248
11.11	Organs of Special Senses	249
11.11.1	Ocular Anatomy and Physiology	249
11.11.2	Anatomy and Physiology of the Ear	250
11.11.3	Olfaction	251
11.11.4	Taste	251
11.11.5	Touch	252
11.12	The Endocrine System	252
11.12.1	Hypothalamus and Pituitary Gland	252
11.12.2	Thyroid Gland	252
11.12.3	Parathyroid Glands	254
11.12.4	Adrenal Glands	254
11.12.5	Pancreas	254
11.12.6	Ovaries and Testes	254
11.13	Summary	254
11.14	References	254

CHAPTER 12: Care, Management, and Training of Dogs and Cats

255

12.1	Introduction/Overview	256
12.2	Responsible Dog and Cat Owners/Neighbors	256
12.3	Attending the Young Puppy	257
12.3.1	Dewclaw Removal	257
12.3.2	Puppy Socialization (3 to 16 Weeks)	258
12.3.3	Weaned Puppy to a New Home	258
12.3.4	Growth-Maturing Period	259
12.4	Sexual Maturity of Dogs	259
12.5	Feeding Dogs and Cats	259
12.6	Other Aspects of Care and Management of Dogs and Cats	259
12.6.1	Housing	259
12.6.2	Exercise and Attention	260
12.6.3	Equipment and Related Items	261
12.6.4	Grooming Supplies and Tools for Dogs and Cats	262
12.6.5	Health Care	262
12.6.6	Dental Care of Dogs and Cats	262
12.6.7	Identification	263
12.7	Dog Discipline and Training	264
12.7.1	Rewards and Punishment	264
12.7.2	Teaching Old Dogs New Tricks	265
12.7.3	Leash Training	265
12.7.4	Clicker Training	265
12.7.5	Professional Obedience Training for Dogs	265
12.7.6	Training Dogs for Special Purposes	269
12.7.7	House Training Cats and Dogs	270
12.8	Attending to Kittens/Cats	271
12.8.1	Weaned Kitten to a New Home	271
12.8.2	Indoor versus Outdoor Cats	271
12.8.3	Your Residence and Your Cat	272

12.8.4	Plants and Your Cat	272
12.8.5	Training Cats	272
12.8.6	On Neutering Cats	272
12.8.7	Other Cat Management Tidbits	273
12.9	Humane Handling, Care, and Treatment of Dogs and Cats	274
12.10	Additional Considerations	274
12.11	Summary	275
12.12	References	275

■ CHAPTER 13: *Fitting, Grooming, and Showing* 276

13.1	Introduction/Overview	277
13.2	Fitting Dogs and Cats	277
13.3	Grooming Cats and Dogs	278
13.3.1	Cat Grooming	278
13.3.2	Dog Grooming	280
13.4	Showing Dogs and Cats	284
13.4.1	Cat Shows and Showing	284
13.4.2	Three Cs of Showing/Judging	285
13.4.3	Titles Awarded to Cats	286
13.4.4	Dog Shows and Showing	286
13.4.5	Judging Conformation Dog Shows	286
13.4.6	Performance Showing	293
13.5	Summary	297
13.6	References	298
13.7	About the Author	298

■ CHAPTER 14: *Companion Animal Health* 299

14.1	Introduction/Overview	300
14.2	Infectious Diseases of Dogs and Cats	301
14.2.1	Bacterial Diseases	301
14.2.2	Helminth Infections	304
14.2.3	Rickettsial Infections	304
14.2.4	Mycoplasma Infections	305
14.2.5	Fungal Infections	305
14.2.6	Viral Diseases	306
14.3	Zoonoses and Public Health Aspects	309
14.4	Noninfectious Disorders of Dogs and Cats	313
14.4.1	Degenerative and Development Disorders	313
14.4.2	Anomalies and Allergic Disorders	315
14.4.3	Metabolic and Miscellaneous Diseases	316
14.4.4	Nutritional and Neoplastic Disorders	318
14.4.5	Infectious, Inflammatory, and Immune-Mediated Disorders	320
14.4.6	Toxins and Trauma	321
14.5	Preventive Medicine	323
14.6	Sanitation/Cleanliness	323
14.7	Vaccinations of Dogs and Cats	324
14.7.1	Types of Immunity	324
14.7.2	Types of Vaccines for Dogs and Cats	325
14.7.3	Recommended Vaccinations for Dogs	326
14.7.4	Recommended Vaccinations for Cats	326
14.7.5	Adverse Reactions to Vaccines	328
14.7.6	Vaccination Failure	328

14.8	Animal Emergencies	329
14.8.1	Recognizing an Emergency	329
14.8.2	Moving an Injured Animal	329
14.8.3	Performing CPR	329
14.8.4	Shock	331
14.8.5	Bleeding	331
14.8.6	Choking	331
14.8.7	Heatstroke	331
14.8.8	Burns	332
14.8.9	Fractures	332
14.8.10	Insect Stings and Spider Bites	332
14.8.11	Snake Bites	333
14.8.12	Poisoning	333
14.8.13	Health Records	333
14.9	Pet Health Insurance	334
14.10	Geriatric Care of Dogs and Cats	335
14.11	Euthanasia	335
14.11.1	Bereavement	336
14.11.2	Care of Remains	336
14.12	Summary	336
14.13	References	337

CHAPTER 15: *Parasites and Pests of Companion Animals*

338

15.1	Introduction/Overview	339
15.2	Phylum Arthropoda	339
15.2.1	Insects	339
15.2.2	Arachnids (Mites, Ticks, Scorpions, Spiders)	345
15.3	Phylum Nematoda	352
15.3.1	Order Rhabditida	352
15.3.2	Order Strongylida	354
15.3.3	Order Ascaridida	355
15.3.4	Order Oxyurida	356
15.3.5	Order Spirurida	356
15.3.6	Order Enoplida	359
15.4	Phylum Platyhelminthes (Flatworms)	361
15.4.1	Class Trematoda (Flukes)	361
15.4.2	Class Cestoda (Tapeworms)	362
15.5	Kingdom Protista (Protozoa)	365
15.5.1	Phylum Sarcomastigophora	365
15.5.2	Phylum Ciliophora	366
15.5.3	Phylum Apicomplexa	367
15.6	Summary	369
15.7	References	369

CHAPTER 16: *Common Diagnostic and Therapeutic Procedures and Terms*

370

16.1	Introduction/Overview	371
16.2	History as a Diagnostic Tool	372
16.3	The Physical Examination as a Diagnostic Tool	373
16.4	Blood Collection for Diagnostic Tests	376
16.4.1	Hematology as a Diagnostic Tool	378
16.4.2	Serum Tests and the Health of Dogs and Cats	378

16.5	Urine Sample Collection and Urinalysis	380
16.6	Fecal Collection and Analyses	381
16.6.1	Fecal Examinations for Parasites	381
16.7	Skin Scrapings as a Diagnostic Tool	382
16.8	Impression Smears (Cytology) as a Diagnostic Tool	383
16.9	Fine Needle Aspirates as a Diagnostic Tool	384
16.10	Transtracheal Wash	384
16.11	Cultures as Diagnostic Tests	384
16.12	Radiographic Imaging as a Diagnostic Tool	385
16.12.1	Radiography	385
16.12.2	Characteristics of Radiation	386
16.12.3	Radiation Safety	386
16.12.4	Producing X-rays	387
16.12.5	Recording X-ray Images	387
16.12.6	Radiograph Interpretation	388
16.13	Ultrasonography as a Diagnostic Tool	388
16.13.1	Producing the Sonogram	389
16.13.2	Sonogram Interpretation	390
16.14	Nuclear Scintigraphy as a Diagnostic Tool	390
16.14.1	Producing the Image	392
16.15	Magnetic Resonance Imaging (MRI)	392
16.15.1	Producing the Image	392
16.16	Computed Tomography (CT)	392
16.16.1	Producing the Image	392
16.17	Endoscopy as a Diagnostic Technique	393
16.18	Electrodiagnostics	396
16.18.1	Electrocardiography	396
16.19	Anesthesia	398
16.19.1	Peanesthetic Agents	398
16.19.2	Induction Agents	399
16.19.3	Inhalation Anesthesia	399
16.19.4	Equipment Needed for Anesthesia	399
16.19.5	Monitoring of Anesthesia	400
16.20	Lasers	401
16.21	Dental Examination and Care	401
16.22	Summary	402
16.23	References	403

CHAPTER 17: *Pet Sitting, Pet Motels, and Other Boarding Arrangements*

404

17.1	Introduction/Overview	405
17.2	Pet Sitters	405
17.2.1	Selecting a Pet Sitter	405
17.2.2	Final Preparations before Leaving Pets to the Care of a Pet Sitter	406
17.2.3	Resources for Those Wanting to Start Pet Sitting Businesses	406
17.2.4	Insurance and Bonding	407
17.3	Pet Motels and Other Pet Boarding Facilities	407
17.4	Special Considerations for Boarding Cats	409
17.5	Preparing Pets for Boarding	410
17.6	Cat/Dog Day Care Centers and Camps	411
17.7	Starting a Day Care/Boarding Kennel or Cattery	411

17.8	Summary	412
17.9	References	412

CHAPTER 18: Kennel/Cattery Design and Management **413**

18.1	Introduction/Overview	414
18.2	Early Considerations and Actions	414
18.3	Kennel/Cattery Design	414
18.4	Sanitation	417
18.5	Heating, Cooling, Lighting, and Ventilation	418
18.6	Feeding, Pest Control, and Socialization	418
18.7	Ancillary Services	419
18.8	Certification of Boarding Kennels and Catteries	421
	18.8.1 American Boarding Kennels Association (ABKA) Voluntary Facilities Accreditation (VFA) Program	421
	18.8.2 Cattery Certification Programs	421
18.9	Employees	422
18.10	Legal Considerations and Insurance	422
18.11	Summary	423
18.12	References	423

CHAPTER 19: Business/Financial Aspects of the Companion Animal Enterprise **424**

19.1	Introduction/Overview	425
19.2	Good Business Practices—Code of Standards, Ethics, and Values	425
19.3	Comprehensive Planning and Development of Strategies	425
19.4	Determining Business Feasibility	426
19.5	Researching the Market and Analyzing the Competition	426
19.6	The Economics of Ownership: Buying, Building, or Expanding	427
19.7	Choosing a Business Name	427
19.8	Preparing a Business Plan	427
19.9	Building a Successful Veterinary Practice	431
19.10	Evaluating Risks and Insurance Alternatives	432
	19.10.1 Pet Health Insurance	434
	19.10.2 Legal Aspects of Animal Companionship	434
19.11	Veterinary and Service Professionals	435
19.12	Records/Accounting	435
19.13	Laws and Regulations	436
19.14	Summary	436
19.15	References	437

CHAPTER 20: Companion Animal Behavior and Social Structure **438**

20.1	Introduction/Overview	439
20.2	Socialization and Other Social Aspects of Domestic Dogs and Cats	440
20.3	Social Structure in the Wild	443
20.4	Communicative Behavior	443
	20.4.1 Visual Communication (Postural)	444
	20.4.2 Vocal Communication (Auditory)	445
	20.4.3 Olfactory Communication	446

20.5	Ingestive Behavior	447
20.5.1	Eating	448
20.6	Elimination Behavior	449
20.7	Orientation (Navigation or Homing) Behavior	450
20.8	Agonistic (Fighting or Aggressive) Behavior	450
20.9	Sexual Behavior	451
20.10	Learning and Principles of Behavioral Modification	451
20.11	Approaches to Behavioral Problems	452
20.11.1	Identify the Problem	453
20.11.2	Determine History of the Problem	453
20.11.3	Evaluate the Problem	453
20.11.4	Recommend Treatment Alternatives and Strategies	453
20.11.5	Educate the Owner	453
20.12	Common Behavioral Problems	454
20.13	Selected Other Feline Behavioral Tidbits of Interest	455
20.14	Dog Temperaments and Trainability	455
20.15	Summary	456
20.16	References	456

CHAPTER 21: *Therapeutic and Service Uses of Companion Animals*

458

21.1	Introduction/Overview	459
21.2	Human–Companion Animal Bond	459
21.3	Service Dogs and Cats	459
21.3.1	Guide Dogs	460
21.3.2	Hearing Assistance Dogs	460
21.3.3	Mobility Assistance Dogs	461
21.3.4	Medical Alert Dogs	461
21.3.5	Psychiatric Service Dogs	462
21.3.6	Minimal Protection Service Dogs	462
21.3.7	Cats	462
21.4	Animal-Assisted Therapy	463
21.5	Pet-Oriented Child Psychotherapy	464
21.6	Police Dogs	465
21.6.1	Tracking Police Dogs	465
21.6.2	Search and Rescue Police Dogs	466
21.6.3	Patrol and Tracking Police Dogs	466
21.6.4	Narcotics Detection Dogs	466
21.6.5	Cadaver Detection Dogs	467
21.6.6	Explosive Detection Dogs	467
21.7	USDA Beagle Brigade	467
21.8	Search and Rescue Dogs	469
21.9	Personal Protection Dogs	470
21.10	Premise Security Dogs	470
21.11	Summary	471
21.12	References	472
21.13	Web Sites	472

CHAPTER 22: *Animals in Biomedical Research*

473

22.1	Introduction/Overview	474
22.2	Animal Models for Human Research	475
22.2.1	Preferred Animal Models	476

22.3	Ensuring Experimental Control in Animal Research	477
22.4	Experimental Categories Supported by Companion Animals	478
22.5	Use of Animals in Biomedical Research	479
22.6	Animal Welfare and Animal Rights Debates and Challenges	481
22.6.1	Validity and Conduct of Animal Research	482
22.6.2	Advancing Behavioral Research	484
22.7	Unexpected Dividends of Research	485
22.8	Alternatives to Using Animals in Research and Testing	485
22.8.1	Geriatric Medical Challenge	486
22.9	Legislation and Regulatory Activities Affecting the Use of Animals in Research	486
22.9.1	Animal Care Laws	486
22.9.2	Laboratory Animal Welfare Act (AWA) of 1966	487
22.9.3	The Good Laboratory Practices Act of 1978	488
22.9.4	The Health Research Extension Act of 1985	488
22.9.5	National Institutes of Health Revitalization Act of 1992	488
22.9.6	The Animal Enterprise Protection Act of 1992	489
22.9.7	Pound Laws	489
22.10	Summary and Coda	489
22.11	References	490
22.12	Web Sites	491

CHAPTER 23: Career Opportunities Associated with Companion Animals 492

23.1	Introduction/Overview	493
23.2	Veterinary Medicine	493
23.2.1	Caring Professionals	494
23.2.2	Protecting the Health of Animals and Society	494
23.3	Colleges of Veterinary Medicine and Veterinary Specialties	496
23.3.1	Postgraduate Veterinary Education	497
23.4	Careers as Veterinary Technicians and Veterinary Technologists	497
23.4.1	Specific Career Opportunities	498
23.5	Bioterrorism-Related Employment Opportunities	501
23.5.1	Centers for Disease Control and Prevention (CDC)	502
23.5.2	United States Department of Agriculture	503
23.5.3	Foreign Animal Disease (FAD) Surveillance	503
23.6	Additional Career Opportunities Related to Companion Animals	504
23.7	Summary	508
23.8	References	508
23.9	Web Sites	509

CHAPTER 24: Managing Unwanted Companion Animals 510

24.1	Introduction/Overview	511
24.2	Unwanted Companion Animals	511
24.3	Responsible Ownership of Companion Animals	511
24.4	Reasons Companion Animals Become Homeless	512
24.5	Problems and Hazards Associated with Unwanted/Free-Roaming Dogs and Cats	513
24.5.1	Dog and Cat Attacks and Bites	513
24.5.2	Potential Health Hazards Associated with Stray/Feral Dogs and Cats	514

24.5.3	The Overpopulation of Feral Cats	514
24.5.4	The Counterbalancing Effects of Cat and Bird Populations	514
24.5.5	Impact of Released Pets on Biological Niches	515
24.6	Controlling Companion Animal Populations	515
24.6.1	Public Education	515
24.6.2	Governmental Companion Animal Control	516
24.6.3	Animal Shelters	516
24.6.4	Animal Adoption Programs	516
24.6.5	Animal Rescue Organizations	517
24.7	Sterilization/Pregnancy-Prevention Procedures	518
24.8	Euthanasia	518
24.9	Summary	518
24.10	References	519
24.11	Web Sites	519

CHAPTER 25: Trends/Future of Companion Animals and Related Functions **520**

25.1	Introduction/Overview	521
25.2	Research and Education to Facilitate Further Advancements	522
25.2.1	Types of Research	522
25.3	Biology and Genetic Engineering	523
25.3.1	Biotechnology in the Pet Industry	523
25.3.2	Biotechnology and Forensics	523
25.4	Cloning and Biogenetics	523
25.4.1	Cloning a Cat	524
25.4.2	Cloning a Horse	525
25.4.3	Therapeutic Cloning	526
25.5	Education Component of the Human-Companion Animal Equation	526
25.6	Trends Related to the Companion Animal Enterprise	528
25.6.1	Trends in Consumer Preferences	528
25.6.2	Nutrition-Related Trends/Studies/Developments	529
25.6.3	Pet Health-Related Considerations	530
25.6.4	Pet Industry Sales of New Products	530
25.6.5	Expanding the Number of Companion Animals in Developing Countries	531
25.7	Future of Companion Animals and Related Enterprises	531
25.7.1	Global Challenges and Opportunities for Expanding the Companion Animal Enterprise	531
25.8	Areas Related to Companion Animals Needing Additional Research	532
25.8.1	Companion Animal Nutrition Research Needed	532
25.8.2	Animal Health-Related Research Needed	532
25.9	Summary	533
25.10	References	534
25.11	Web Sites	534

Appendix A **535**

Appendix B **538**

Appendix C **541**

Glossary **543**

Index **595**
