

The book cover features a dark background with a large, curved, abstract shape in shades of green and yellow. A bright, glowing light source on the left side emits several parallel rays of light that fan out across the cover, creating a sense of depth and movement. The text is overlaid on this background.

# **Content and Workflow Management for Library Web Sites**

**Case Studies**

**Holly Yu**

# **Content and Workflow Management for Library Web Sites: Case Studies**
