	Introduction	xix
PART I	Get Started	
CHAPTER 1	Welcome to Palm	3
	Understanding Palm Handhelds	6
	The Guts of the Machine	7
	What's an Operating System?	7
	Different Versions of the Palm Operating System (Important!)	8
	Hardware: What's Different Between Palm, Handspring, Sony, Etc?	9
	What's Important in a Handheld PC?	14
	Where to Find the Best Prices	15
	Where to Find It	17
CHAPTER 2	Get to Know Your Palm Device	19
	Taking a Guided Tour of the Hardware	20
	The Screen	21
	The Buttons	25
	The Back of the Palm	28
	The Expansion Slot	29
	The Infrared Port	30
	The Stylus	30
	Using Your Palm Device for the First Time	31
	Charging the Batteries	31
	The Welcome Screens	31
	The Graffiti Tutorial	33
	Getting to Know the Operating System	35
	The Icons	35
	The Menus	36
	The Home Screen	37
	Setting Palm Device Preferences	39
	Buttons	40
	Connection	41
	Date & Time	41
	Digitizer	42
	Formats	42
	General	42
	Network	43
	Owner	44
	ShortCuts	44
	Introducing Palm Desktop	45
	What Is Palm Desktop?	45
	Where to Find It	47

X How to Do Everything with Your Palm Handheld

CHAPTER 3	Get Set Up with Your PC	49
	Unpacking Your Palm	51
	Installing the HotSync Cradle	51
	Installing the Desktop Software	55
	Installing Palm Desktop	55
	Performing Your First HotSync	57
	Exploring the HotSync Manager	59
	Reading the HotSync Log	66
	HotSyncing as a Way of Life	68
	What HotSync Does to Files	68
	Installing and HotSyncing More Than One Palm	70
	Using a Notebook's IR Port to HotSync	71
	Prepping the Notebook	72
	Configure the HotSync Manager	73
	Perform the HotSync	74
CHAPTER 4	Get Information In and Out of Your Palm	77
	Three Different Ways to Enter Data	79
	All About Graffiti	80
	Using the Onscreen Keyboard	84
	Using Built-In Keyboards	85
	Using Palm Desktop	87
	Getting to Know Graffiti	88
	General Tips and Tricks for Graffiti	90
	Writing Letters and Numbers	90
	Capitalizing Letters	93
	Spaces, Backspaces, and Deleting Text	94
	Adding Punctuation	95
	Using Shortcuts	96
	Beaming Data Between Palms	101
	How to Beam	102
	Selecting Items for Beaming	104
	Installing New Software on Your Palm	108
	Prepping Applications for Installation	113
	Deleting Applications	114
	Working with Memory Cards	115
	It's in the Cards	115
	What Price Memory?	117
	Memory 101	117
	Memory 102	120
PART II	Get Things Done	
CHAPTER 5	The Date Book	125
	Viewing Your Appointments	126
	Navigating the Day View	127
	Navigating the Week View	131
	Navigating the Month View	132
	Managing Your Day from the Agenda View	133
	Filtering Your To-Dos	134
	The Agenda View	134
	Creating New Appointments	135
	Adding Timed Events	136

	Adding Untimed Events	137
	Making Your Appointments Repeat	138
	Making an Appointment Private	140
	Editing Recurring Meetings	140
	Deleting Old Appointments	141
	Working with Alarms	142
	Setting Alarms for Specific Events	143
	Setting Alarms for Everything	143
	Importing Alarm Settings	144
	Controlling Your Alarm	144
	Working with the Palm Desktop	145
	Using the Windows Date Book	145
	Using the Day View	145
	Editing Appointments	146
	Using the Long Range Views	147
	Using Alarms on the Desktop	148
	Using Outlook	149
	Switching Between Outlook and Palm Desktop	149
	Synchronizing Multiple Palms with Outlook	149
	Tweaking Alarms for the Palm	150
	Using the Macintosh Date Book	151
	Using the Day View	151
	Using the Week and Month Views	153
	So Many Preferences	154
CHAPTER 6	The Address Book	155
	Viewing Your Addresses	157
	Viewing by Company Name	158
	Finding a Specific Name	158
	Viewing a Name	159
	Dialing a Phone Number	160
	Creating New Entries	161
	Using Multiple Phone Numbers	162
	Using Extra Fields	163
	Assigning Categories	164
	Choosing a Category	164
	Editing and Deleting Addresses	165
