Contents

Preface..... xi

Contributors xv

Section One

1. Introduction to Information Mastery 1
Allen F. Shaughnessy, PharmD, David C. Slawson, MD

2. The Medical Information Jungle 5
David C. Slawson, MD, Allen F. Shaughnessy, PharmD

3. Foraging Tools: Patient-Oriented Evidence that Matters Bulletin Boards 8
*Karen L. Maughan, MD, John D. Gazewood, MD, MSPH, Allen F. Shaughnessy, PharmD,
David C. Slawson, MD*

4. Hunting Tools in the Hand: Use of Handheld Computers to Master Information 14
Scott M. Strayer, MD, MPH, Mark H. Ebell, MD, MS

5. Now that I Know What I Am Supposed to Do, How Do I Actually Do It? 25
Michael F. Evans, MD, CCFP, Allen F. Shaughnessy, PharmD, David C. Slawson, MD

6. Evidence-Based Reviews and Translation Articles: Alternatives to Academic Reviews 31
Margaret L. Gourlay, MD, Jay Siwek, MD

| | |
|---|----|
| 7. Getting the Most from Continuing Medical Information: Only the Last 2 Minutes Count. | 40 |
| <i>Anne L. Mounsey, MD, Lisa K. Rollins, PhD</i> | |
| 8. Looking Behind the Curtain: Evaluating Expert-Based Information | 47 |
| <i>Andy Lockman, MD, Charles Cole, MD</i> | |
| 9. Obtaining Useful Information from Pharmaceutical Representatives | 51 |
| <i>John P. Franko, MD, Allen F. Shaughnessy, PharmD, David C. Slawson, MD</i> | |
| 10. Clinical Jazz: Harmonizing Clinical Experience with Evidence-Based Medicine. | 61 |
| <i>Cheryl A. Flynn, MD, MS, Lorne Becker, MD</i> | |
| 11. Bringing the Best Information to our Patients and our Colleagues: When Information Mastery Meets Motivational Interviewing | 66 |
| <i>David B. Waters, PhD</i> | |

Summary of Section One

| | |
|--|----|
| What Makes the “Information Mastery” Approach Unique? | 74 |
| <i>David C. Slawson, MD, Allen F. Shaughnessy, PharmD</i> | |

Section Two

| | |
|---|-----|
| 12. Looking Right Down to the Pores: Why It Is Important to Learn How to Read Journals | 76 |
| <i>Walter W. Rosser, MD, CCFP, FCFP, MRCPG (UK)</i> | |
| 13. Things Are Not Always What They Seem: Understanding Diagnostic Tests | 83 |
| <i>Walter W. Rosser, MD, CCFP, FCFP, MRCPG (UK), Marshall Godwin, MSc, MD, CCFP, FCFP</i> | |
| 14. Prevalence and Predictive Value | 90 |
| <i>Walter W. Rosser, MD, CCFP, FCFP, MRCPG (UK)</i> | |
| 15. Crystal Balls: Prognosis | 97 |
| <i>Walter W. Rosser, MD, CCFP, FCFP, MRCPG (UK)</i> | |
| 16. Cause-and-Effect Relationships | 101 |
| <i>Walter W. Rosser, MD, CCFP, FCFP, MRCPG (UK)</i> | |

| | |
|---|-----|
| 17. Doing More Good than Harm | 106 |
| <i>Walter W. Rosser, MD, CCFP, FCFP, MRCPG (UK)</i> | |
| 18. Using Systematic Reviews and the Appropriate Meta-analysis | 113 |
| <i>Walter W. Rosser, MD, CCFP, FCFP, MRCPG (UK)</i> | |
| 19. The Good, the Bad, and the Ugly: Choosing Guidelines with Confidence | 117 |
| <i>Walter W. Rosser, MD, CCFP, FCFP, MRCPG (UK)</i> | |
| 20. Assessing Studies that Involve Economic Analysis | 122 |
| <i>Walter W. Rosser, MD, CCFP, FCFP, MRCPG (UK)</i> | |
| 21. Assessing a Study on Quality of Care | 126 |
| <i>Walter W. Rosser, MD, CCFP, FCFP, MRCPG (UK)</i> | |
| 22. Evaluating Qualitative Research | 129 |
| <i>Judith Belle Brown, PhD, Moira Stewart, PhD</i> | |
| 23. Applying Information Mastery and Evidence in Practice | 133 |
| <i>Walter W. Rosser, MD, CCFP, FCFP, MRCPG (UK)</i> | |
| 24. Whose Evidence Anyway? A Perspective on What Different Doctors Mean by “Proof” | 139 |
| <i>Warren P. Newton, MD, MPH</i> | |
| Glossary | 147 |
| Index | 153 |
