Fire Officer

Principles and Practice

Contents

CHAPTER 1 Introduction to Fire Officer	1
Introduction	2
Fire Officer I	2
Fire Officer II	3
Roles and Responsibilities of Fire Officer . 3	
Roles and Responsibilities for	
Fire Officer I	3
Additional Roles and Responsibilities for	
Fire Officer II	3
Fire Service in the United States	4
History of the Fire Service	5
Fire Equipment	6
Communications	6
Building Codes	7
Paying for Fire Service	7
Training and Education	9
Fire Department Organization	9
Source of Authority	9
Chain of Command	10
Basic Principles of Organization	10
Other Views of Organization	12
The Functions of Management	12
Rules and Regulations, Policies, and	
Standard Operating Procedures	12
Working with Other Organizations	13
21st Century Fire Officer Opportunities . 13	
Aging Fire Fighter Workforce	13
Changing Emergency Service Workload . 13	
Protecting the Homeland	14
Cultural Diversity	14
Ethics	14
Wrap-Up.	17
 CHAPTER 2 Preparing for Promotion	 20
Introduction to Preparing for Promotion. 22	
The Origin of Promotional	
Examinations	22
Sizing Up Promotion Opportunities 23	
Post-Examination Promotional	
Considerations	24
Preparing a Promotional Examination . . 25	
Charting the Knowledge, Skills, and	
Abilities	25
Promotional Examination Components . 28	
Multiple-Choice Written Examination . 28	
In-Basket	29
Emergency Incident Simulations 29	
Interpersonal Interaction	31
Writing or Speaking Exercise	32
Technical Skill Demonstration	32
Preparing for a Promotional Examination 33	

Building a Personal Study Journal	33
Preparing for Role Playing	34
Wrap-Up.	36

CHAPTER 3 Fire Fighters and the Fire	Officer 38
Introduction to the Fire Officer's Job . . . 40	
The Fire Officer's Vital Tasks	40
Example of a Typical Fire Station	
Workday	42
Typical Volunteer Duty Night	43
The Transition From Fire Fighter to Fire	
Officer	44
Fire Officer as Supervisor-Commander-	
Trainer	44
Supervisor	44
Commander	45
Trainer	46
The Fire Officer's Supervisor	48
The Vital Importance of Integrity	
and Ethical Behavior	49
Integrity	49
Ethical Behavior	49
Workplace Diversity	51
The Fire Officer's Role in Workplace	
Diversity	52
The Fire Station as a "Business Work	
Location"	54
Wrap-Up.	58

CHAPTER 4 Understanding People:	Management Concepts 60
Introduction to Management Concepts . 62	
Scientific Management	63
Frederick Winslow Taylor	63
Los Angeles City Fire Department	
"Measure of Effectiveness System" . . . 63	
Humanistic Management	64
McGregor—Theory X and Theory Y . . . 64	
Maslow—Hierarchy of Need	65
Blake and Mouton's Managerial Grid . . 67	
Applying Human Resource Management	
Principles	69
Utilizing Human Resources	70
Mission Statement	71
Getting Assignments Completed	71
Wrap-Up.	74

CHAPTER 5 Organized Labor and the Fire	Officer 76
Introduction to Organized Labor and	
the Fire Officer	78
The Legislative Framework for	
Collective Bargaining	79

Norris-LaGuardia Act of 1932	79
Wagner-Connery Act of 1935	79
Taft-Hartley Labor Act of 1947	80
Landrum-Griffin Act of 1959	80
Collective Bargaining for Federal Employees	80
State Labor Laws	81
The International Association of Fire Fighters	81
Organizing Fire Fighters into Labor Unions	82
Labor-Management Conflicts in the Fire Service	82
Striking for Better Working Conditions: 1918–1921	83
Striking to Preserve Wages and Staffing: 1931–1933	83
Staffing, Wages, and Contracts: The 1973–1980 Fire Fighter Strikes	85
1975 San Francisco Strike	85
Other Fire Fighter Strikes	85
Negative Impacts of Strikes	85
Positive Labor-Management Relations ..	86
Special Aspects of Fire Fighter Labor Contracts	88
Growth of IAFF as a Political Powerhouse	88
Seattle/King County Medic One 2001 Tax Levy Referendum	88
Corpus Christi Forces a Special Election to Settle Contract Impasse	88
Labor-Management Alliances	89
Fire Service Joint Labor Management Wellness-Fitness Task Force	89
The Fire Service Leadership Partnership	89
The Fire Officer's Role as a Supervisor ..	90
Application Example: A Grievance Procedure	90
Summary	91
Wrap-Up	94

CHAPTER 6 Safety and Risk Management . 96

Introduction to Safety	100
Fire Fighter Death and Injury Trends ..	100
Heart Attack	101
Motor Vehicle Accidents	101
Burns and Asphyxiation	102
Everyone Goes Home: The Fire Officer's Responsibilities	102
Heart Attack	102
Stress	104
Motor Vehicle Accidents	104
Fire Suppression Operations	105

Incident Safety Officer	108
Incident Safety Officer and Incident Management	109
Qualifications to Operate as an Incident Safety Officer	109
Assistant Incident Safety Officers at Large or Complex Incidents	111
Incident Scene Rehabilitation	111
Creating and Maintaining a Safe Work Environment	112
Safety Policies and Procedures	112
Emergency Incident Injury Prevention ..	112
Fire Station Safety	113
Infection Control	114
Infectious Disease Exposure	114
Accident Investigation	115
Accident Investigation and Documentation	115
Data Analysis	116
Postincident Analysis	117
Mitigating Hazards	117
Wrap-Up	118

CHAPTER 7 Training and Coaching 120

Introduction to Training and Coaching ..	122
Fire Fighter Certification Programs ..	122
Accreditation of Certification Programs	122
Overview of Training	124
Fire Officer Training Responsibilities ..	125
Review of the Four-Step Method	125
Ensure Proficiency of Existing Skill Sets	127
Provide New or Revised Skill Sets	127
Ensure Competence and Confidence ..	127
When New Member Training Is On-the-Job	129
Skills That Must Be Immediately Learned	129
Skills Necessary for Staying Alive	131
Live Fire Training	131
Student Prerequisites	131
Fire Officer Preparation Responsibilities	131
Prohibited Live Fire Training Activities	133
Developing a Specific Training Program	133
Needs Assessment	133
Form Objectives	133
Develop Training Program	133
Program Delivery	134
Evaluation	134
Wrap-Up	136

CHAPTER 8 Evaluation and Discipline . . . 138

Introduction to Evaluation and Discipline	140
Evaluation	140
Starting the Evaluation Process With a New Fire Fighter	141
Annual Evaluations	143
Conducting the Annual Evaluation	143
Evaluation Errors	145
Providing Feedback After an Incident or Activity	146
Discipline	146
Positive Discipline: Reinforcing Positive Performance	146
Negative Discipline: Correcting Unacceptable Behavior	149
Documentation and Record Keeping	153
Employee Assistance Program	153
Wrap-Up.	156

CHAPTER 9 Leading the Fire Company . . 158

Leadership	160
The Fire Officer as a Follower	160
Leadership Styles	160
Motivation	161
Reinforcement Theory	162
Motivation-Hygiene Theory	162
Goal-Setting Theory	162
Equity Theory	162
Expectancy Theory	163
Leadership in Routine Situations	163
Emergency Scene Leadership	163
Methods of Assigning Tasks	165
Critical Situations	165
The Dispatch Center	166
Other Responding Units	167
Fire Officer Challenges in the 21st Century	167
Fire Station as Municipal Work Location Versus Fire Fighter Home	167
Leadership in the Volunteer Fire Service	168
Summary	168
Wrap-Up.	170

CHAPTER 10 Working in the Community . . 172

Introduction to Working in the Community	174
Understanding the Community	175
Risk Reduction	177
Responding to Public Inquiries	178
Public Education	178
National and Regional Public Education Programs	179

Locally Developed Programs	183
Media Relations	185
The Fire Department Public Information Officer	185
Press Releases	187
The Fire Officer as Spokesperson	187
Summary	189
Wrap-Up.	190

CHAPTER 11 Handling Problems, Conflicts, and Mistakes 192

Introduction to Problems	194
Complaints, Conflicts, and Mistakes	194
General Decision-Making Procedures	195
Define the Problem	195
Generate Alternative Solutions	197
Select a Solution	198
Implement the Solution	198
Evaluate the Results	199
Managing Conflict	200
Personnel Conflicts and Grievances	200
Conflict Resolution Model	200
Listen and Take Detailed Notes	200
Investigate	203
Take Action	203
Follow-up	203
Emotions and Sensitivity	203
Step 1: Drain the Emotional Bubble	203
Step 2: Understand the Complainant's Viewpoint	205
Step 3: Help the Complainant Feel Understood	205
Step 4: Identify the Complainant's Expectations for Resolution	205
Citizen Complaints	205
Policy Recommendations and Implementation	206
Recommending Policies and Policy Changes	206
Implementing Policies	206
Customer Service Versus Customer Satisfaction	207
Complainant Expectations	207
Wrap-Up.	210

CHAPTER 12 Preincident Planning and Code Enforcement 212

The Fire Officer's Role in Community Fire Safety	214
Developing a Preincident Plan	214
A Systematic Approach	216
Step 1: Evaluate physical elements and site considerations	216

Step 2: Evaluate occupant considerations	216
Step 3: Evaluate fire protection systems and water supply	217
Step 4: Evaluate special hazards	218
Step 5: Evaluate emergency operation considerations	218
Step 6: Evaluate special or unusual characteristics of common occupancy	219
Putting the Data to Use	219
Understanding Fire Codes	220
Building Code Versus Fire Code	220
State Fire Codes	220
Local Fire Codes	221
Model Codes	221
Retroactive Code Requirements	222
Understanding Built-in Fire Protection Systems	222
Water-Based Fire Suppression Elements	223
Special Extinguishing Systems	224
Fire Alarm and Detection Systems	225
Understanding Fire Code Compliance Inspections	225
Fire Company Inspections	227
Classifying by Building or Occupancy	227
Construction Type	227
Occupancy and Use Group	229
Assembly	229
Business	229
Educational	229
Industrial	229
Health Care	229
Detention and Correctional	230
Mercantile	230
Residential	230
Storage	230
Mixed	231
Unusual	231
NFPA 704 Marking System	231
Preparing for an Inspection	231
Reviewing the Fire Code	232
Review Prior Inspection Reports, Fire History, and Preincident Plans	232
Coordinate Activity With the Fire Prevention Division	232
Arrange a Visit	232
Assemble Tools and References	232
Conducting the Inspection	233
General Overview	233
Meet With the Representative	233
Inspecting From the Outside in, Bottom to Top	233

Exit Interview	234
Writing the Inspection/Correction Report	234
General Inspection Requirements	235
Access and Egress Issues	235
Exit Signs and Egress Lighting	235
Portable Fire Extinguishers	235
Inspecting Built-in Fire Protection Systems	235
Electrical	236
Special Hazards	236
Hazard Identification Signs	236
Selected Use Group Specific Concerns	236
Assembly	236
Business	237
Educational	237
Factory Industrial	237
Hazardous	237
Health Care	237
Mercantile	237
Residential	237
Special Requirements	238
Detention	238
Storage	238
Unusual	238
Mixed	238
Wrap-Up	240

CHAPTER 13 Budgeting	242
Introduction to Budgeting	244
The Budget Cycle	245
Base and Supplemental Budgets	245
Revenue Sources	245
Local Government Sources	245
Volunteer Fire Departments	247
Grants	247
Nontraditional Revenue Sources	248
Expenditures	248
Personnel Expenditures	249
Operating Expenditures	249
Capital Expenditures	251
Bond Referendums and Capital Projects	251
Lower Revenue Means Fewer Resources	253
Lower Revenue Options	253
Learning the Budget Language	255
The Purchasing Process	255
Petty Cash	255
Purchase Orders	255
Requisitions	256
The Bidding Process	256
Navigating the Budgetary Process	256
Developing a Budget Proposal	257

Overview of Faulty Alarm Enforcement
Unit (Alarm Unit 4) 257

FAEU Annual Personnel and Operating
Expenditures 257

FAEU Capital Budget 258

Ask for Everything You Need 258

Cost Recovery and Reduction 260

Wrap-Up. 262

CHAPTER 14 Fire Officer Communications. 264

Introduction to Fire Officer
Communication 266

The Communication Process 266

The Communication Cycle 267

The Basics of Effective
Communication Skills 268

Active Listening 268

Stay Focused 268

Ensure Accuracy 268

Keeping Your Supervisor Informed 269

The Grapevine 269

Overcoming Environmental Noise 269

Emergency Communications 270

“Unit calling, repeat . . .” 271

Initial On-Scene Size-Up 271

Using the Order Model 271

Radio Reports 272

Written Communications 272

Informal Communications 272

Formal Communications 272

Standard Operating Procedures 272

General Orders. 273

Announcements 273

Legal Correspondence 273

Reporting 273

Verbal Reports 273

Types of Reports 273

Incident Reports 279

Writing a Report 279

Presenting a Report 282

Preparing a News Release 282

Using Computers 282

Operating System 283

Word Processing 283

Spreadsheets 283

Presentation Software 283

Internet Access 283

Communication 283

Database 284

Information Management 284

Summary 284

Wrap-Up. 286

CHAPTER 15 Managing Incidents 288

Introduction to Managing Incidents 290

How Incident Command Developed 290

FIRESCOPE and ICS 291

Fire Ground Command 291

Incident Management System 291

National Incident Management System 293

Fire Fighter Accountability 294

The Fire Officer’s Role in Incident
Management 295

Levels of Command 295

Strategic-Level Incident Management 295

Responsibilities of Command 295

Functions of Command 296

Establishing Command 296

Command Options 296

Transfer of Command 297

After the Transfer of Command:
Building the Incident Management
System 299

Command Staff 299

General Staff Functions 301

Tactical Level of Incident
Management 303

Divisions, Groups, and Sectors 303

Branches 303

Location Designators 304

Fire Officer Greater Alarm
Responsibilities 304

Staging 304

Task Level of Incident Management 305

Task Forces and Strike Teams 305

Greater Alarm Infrastructure 306

Postincident Review 306

Preparing Information for an
Incident Review 306

Conducting a Critique 307

Documentation and Follow-up 308

Wrap-Up. 311

CHAPTER 16 Fire Attack 314

Introduction to Fire Attack 316

Supervising a Single Company 316

Supervising Multiple Companies 317

Command Staff Assignments 318

Sizing Up the Incident 318

On-Scene Observations 319

Lloyd Layman’s Five-Step Size-Up
Process 320

National Fire Academy Size-Up
Process 321

Risk/Benefit Analysis 322

Determining Fire Flow 323

The Kimball Rule of Thumb	323
Iowa State University Rate-of-Flow Formula	323
NFA Fire Flow Formula	325
Developing an Incident Action Plan ...	325
Incident Priorities	325
Tactical Priorities	326
Determining Task Assignments	328
Assigning Resources	328
Tactical Safety Considerations	329
Scene Safety	330
Rapid Intervention Companies	330
Personnel Accountability Report	331
General Structure Fire Considerations .	331
Single-Family Dwellings	331
Low-Rise Multiple-Family Dwellings ..	332
High-Rise Multiple-Family Dwellings ..	332
General High-Rise Considerations	333
Wrap-Up	336

CHAPTER 17 Fire Cause Determination. . . 338

Introduction to Fire Cause	
Determination	340
Common Causes of Fires	341
Requesting an Investigator	341
Finding the Point of Origin	342
Fire Growth and Development	342
Fire Patterns	343
Determining the Cause of the Fire ...	343
Source and Form of Heat Ignition	344
Material First Ignited	344
Ignition Factor or Cause	344
Fire Analysis	345
Conducting Interviews	345
Vehicle Fire Cause Determination	345
Wildland Fire Cause Determination ...	346
Fire Cause Classifications	347
Accidental Fire Causes	347
Natural Fire Causes	347
Incendiary Fire Causes	349
Undetermined Fire Causes	349
Indicators of Incendiary Fires	349
Disabled Built-in Fire Protection	349
Delayed Notification and/or Difficulty in Getting to the Fire	350
Accelerants and Trailers	350
Multiple Points of Origin	350
Tampered or Altered Equipment	351
Arson	351
Arson Motives	351
Profit	351
Crime Concealment	352
Excitement	352
Spite/Revenge	352

Extremism	352
Vandalism	352
Legal Considerations	352
Searches	352
Securing the Scene	353
Evidence	353
Legal Proceedings	354
Documentation and Reports	355
Preliminary Investigation	
Documentation	355
Investigation Report	356
The Investigative Action After the Fire	
Officials Are Gone	356
Summary	357
Wrap-Up	358

CHAPTER 18 Crew Resource Management

Origins of Crew Resource	
Management	362
Human Error	363
Human Factors Contributing to Error ..	364
Error Management Model	364
CRM Model	364
Communication Skills	365
Teamwork	366
Task Allocation	369
Critical Decision Making	370
Situational Awareness	371
Debriefing	373
CRM: The Time Is Now	374
Wrap-Up	376

APPENDIX A Fire Officer Presentation . . . 378

APPENDIX B NFPA 1021, *Standard for Fire Officer Professional Qualifications*, 2003 Edition. 380

APPENDIX C NFPA 1021, *Standard for Fire Officer Professional Qualifications*, 2003 Edition, Correlation Guide
