

**The Society for Healthcare Epidemiology of America**

# **Practical Handbook for Healthcare Epidemiologists**

SECOND EDITION

Edited by  
**Ebbing Lautenbach, MD, MPH, MSCE**  
**Keith Woeltje, MD, PhD**

SLACK Incorporated

# CONTENTS

<i>Dedication</i> .....	<i>iii</i>
<i>Acknowledgments</i> .....	<i>vii</i>
<i>About the Editors</i> .....	<i>viii</i>
<i>Contributing Authors</i> .....	<i>ix</i>

## **Section One: Getting Started**

---

Chapter One	Practical Hospital Epidemiology: An Introduction ..... 3 <i>Ebbing Lautenbach, MD, MPH, MSCE and Keith Woeltje, MD, PhD</i>
Chapter Two	Educational Needs and Opportunities for the Hospital Epidemiologist..... 7 <i>Richard A. Martinello, MD and Louise M. Dembry, MD, MS</i>
Chapter Three	How to Get Paid for Healthcare Epidemiology: A Practical Guide..... 13 <i>H. Gunner Deery II, MD and Daniel J. Sexton, MD</i>
Chapter Four	Ethical Aspects of Infection Control ..... 25 <i>Loreen A. Herwaldt, MD and Lauris C. Kaldjian, MD</i>

## **Section Two: Surveillance and Analysis**

---

Chapter Five	Epidemiologic Methods in Infection Control ..... 37 <i>Ebbing Lautenbach, MD, MPH, MSCE</i>
Chapter Six	Basics of Surveillance: An Overview ..... 45 <i>Trish M. Perl, MD, MSc; Jean M. Pottinger, RN, MA, CIC; and Loreen A. Herwaldt, MD</i>
Chapter Seven	Preventing Nosocomial Pneumonia ..... 69 <i>Scott A. Flanders, MD; Harold R. Collard, MD; and Sanjay Saint, MD, MPH</i>
Chapter Eight	Basics of Surgical Site Infection Surveillance ..... 79 <i>Lisa L. Maragakis, MD and Trish M. Perl, MD, MSc</i>
Chapter Nine	Surveillance for Infections Associated With Vascular Catheters ..... 91 <i>Werner Ernst Bischoff, MD, MSc</i>
Chapter Ten	Outbreak Investigations ..... 99 <i>Consuelo Beck-Sague, MD; Victor Soto-Caceres, MD, MPH; and William R. Jarvis, MD</i>
Chapter Eleven	Exposure Workups..... 111 <i>Loreen A. Herwaldt, MD; Jean M. Pottinger, RN, MA, CIC; and Stephanie Holley, RN, BSN, CIC</i>
Chapter Twelve	Isolation ..... 143 <i>Gonzalo M. L. Bearman, MD, MPH and Michael Edmond, MD, MPH, MPA</i>

## **Section Three: Support Functions**

---

Chapter Thirteen	Clinical Microbiology Laboratory Support for Healthcare Epidemiology .... 153 <i>Lance R. Peterson, MD and Patrick A. Hymel, MD</i>
Chapter Fourteen	Molecular Typing Systems..... 163 <i>Carolyn V. Gould, MD and Joel Maslow, MD, PhD</i>

Contents		v
Chapter Fifteen	Computers for Healthcare Epidemiology . . . . .	171
	<i>Keith Woeltje, MD, PhD</i>	
<b>Section Four: Antimicrobial Resistance</b>		
Chapter Sixteen	Control of Gram-Positive Multidrug-Resistant Pathogens. . . . .	179
	<i>Mark E. Rupp, MD</i>	
Chapter Seventeen	Antibiotic-Resistant Gram-Negative Infections . . . . .	189
	<i>David L. Paterson, MBBS, FRACP and Mesut Yilmaz, MD</i>	
Chapter Eighteen	Antimicrobial Stewardship . . . . .	199
	<i>Robert A. Duncan, MD, MPH and Kenneth R. Lawrence, BS, PharmD</i>	
<b>Section Five: Special Topics</b>		
Chapter Nineteen	Improving Hand Hygiene in Healthcare Settings . . . . .	213
	<i>John M. Boyce, MD and Didier Pittet, MD, MS</i>	
Chapter Twenty	The Role of Infection Control in Bioterrorism . . . . .	223
	<i>Mary L. Fornek, BSN, MBA, CIC and Kelly J. Henning, MD</i>	
Chapter Twenty-One	Employee Health/Occupational Medicine . . . . .	241
	<i>David K. Henderson, MD</i>	
Chapter Twenty-Two	Tuberculosis Infection Control in Healthcare Settings . . . . .	259
	<i>Henry M. Blumberg, MD</i>	
Chapter Twenty-Three	Infection Control in Long-Term Care Facilities. . . . .	275
	<i>Lindsay E. Nicolle, MD and Richard A. Garibaldi, MD</i>	
Chapter Twenty-Four	Infection Control in the Outpatient Setting . . . . .	281
	<i>Deborah M. Nihill, RN, MS, CIC; Loreen A. Herwaldt, MD; Shanon Smith, MD; Cheryl D. Carter, RN, BSN; and Tammy Lundstrom, MD</i>	
Chapter Twenty-Five	Infection Control and Patient Safety . . . . .	297
	<i>Darren R. Linkin, MD and PJ Brennan, MD</i>	
<b>Section Six: Administrative Issues</b>		
Chapter Twenty-Six	The Infection Control Committee . . . . .	307
	<i>Virginia R. Roth, MD, FRCPC and Mark Loeb, MD, MSc, FRCPC</i>	
Chapter Twenty-Seven	Developing Infection Control Policies and Guidelines. . . . .	311
	<i>Young S. Kim, MD; PJ Brennan, MD; and Elias Abrutyn, MD</i>	
Chapter Twenty-Eight	The Occupational Safety and Health Administration's Regulatory Role . . . . .	317
	<i>Judene Bartley, MS, MPH, CIC; Gina Pugliese, RN, MS; and Tammy Lundstrom, MD</i>	
Chapter Twenty-Nine	Preparing for and Surviving a Joint Commission on Accreditation of Healthcare Organizations Inspection . . . . .	325
	<i>Mary D. Nettleman, MD, MS</i>	
Chapter Thirty	Product Evaluation . . . . .	329
	<i>Lynn Slonim Fine, PhD, MPH, CIC and William M. Valenti, MD</i>	

Chapter Thirty-One	Infection Control Issues in Construction and Renovation. . . . .	337
	<i>Sherry A. David, RN, BS, CIC; Jose A. Fernandez, RA; and Loreen A. Herwaldt, MD</i>	
Appendix A	Abbreviations. . . . .	361
<i>Index</i>	. . . . .	<i>365</i>
