Contents

CHAPTER 1	Introduction: Services in the Economy	1
	The Importance of the Service Sector	2
	The Importance of Studying Operations in Services	4
	Opportunities in Service Operations	6
	Characteristics of Services	6
	<i>Intangibility of Services</i>	6
	<i>Simultaneous Production and Consumption</i>	7
	<i>Proximity to the Customer</i>	7
	<i>Services Cannot Be Inventoried</i>	7
	Classification Frameworks	8
	Summary	11
	Review Questions	11
	Selected Bibliography	12

PART

I

Formulating Strategy 13

CHAPTER 2	Strategic Positioning and Service Strategy	14
------------------	---	-----------

A Strategic Hierarchy and Strategic Consistency	15
Strategic Positioning	16
<i>Industry and Competitor Analysis Approach to Strategy</i>	16
SERVICE OPERATIONS MANAGEMENT PRACTICES	
<i>Two Different Strategies, Two Different Operating Systems</i>	17
<i>Core Competence Approach to Strategy</i>	18
Service Strategy	19
<i>Competitive Priorities, Order Winners, and Order Qualifiers</i>	19
<i>Service Concept and Operating Strategy</i>	20
<i>Service Delivery System</i>	20
Tactical Execution	21
Strategically Planning for Service Growth	21
<i>The Multi-Site Service Lifecycle</i>	21
<i>Industry Roll-Ups</i>	23
<i>Franchising</i>	24
SERVICE OPERATIONS MANAGEMENT PRACTICES	
<i>Is Opportunity Knocking for You?</i>	25
<i>Where Do We Go From Here?</i>	26
SERVICE OPERATIONS MANAGEMENT PRACTICES	
<i>Franchising at Dunkin' Donuts</i>	27
Summary	28
Review Questions	28
Selected Bibliography	28

CASE STUDY

Can You Manage a Football Team Like You Manage a Retail Giant? 29

CASE STUDY

PC Repair 30

CHAPTER 3 Internet Strategies 31

Internet Marketing and Operations Advantages 32

Differential Cost Drivers of Internet and Traditional Firms 33

Inventory 33

Personnel 34

Logistics 35

Strategies for Mixed Traditional and Internet Retailers 35

Customer Service and the Internet 38

SERVICE OPERATIONS MANAGEMENT PRACTICES

If You Build It, They Will Come 40

Internet Service Design 40

Product 40

Processes 41

Technology 42

Task 44

Customer Contact Centers 45

Outcomes 45

Summary 46

Review Questions 46

Selected Bibliography 47

CASE STUDY

PeopleSupport.com 48

CHAPTER 4 Environmental Strategies 51

Environmental Management and Profitability 52

SERVICE OPERATIONS MANAGEMENT PRACTICES

How Royal Dutch/Shell Relieved a Serious Gas Problem 53

SERVICE OPERATIONS MANAGEMENT PRACTICES

Lawyers in Love 55

SERVICE OPERATIONS MANAGEMENT PRACTICES

Home Depot's Commitment to Sustainable Forestry 56

Service Operations and the Environment 57

Environmental Services 57

Services and Their Environmental Impacts 60

Environmental Strategies for Service Operations 62

Process Opportunities 62

Product Opportunities 64

Summary 66

Review Questions 66

Selected Bibliography 66

CASE STUDY

Chemical Management at Delta Air Lines 68

PART

2

	Designing the Delivery System	75
CHAPTER 5	New Service Development	76
	New Service Development Process 76	
	Service Innovation 77	
	Service System Design 78	
	Service System Design and Innovation 82	
	Service System Design Tools 84	
	<i>Service Blueprinting</i> 84	
	<i>Customer Utility Models</i> 85	
	SERVICE OPERATIONS MANAGEMENT PRACTICES	
	<i>New Service Design for Snowbird Ski Resort</i> 90	
	Summary 92	
	Review Questions 92	
	Selected Bibliography 93	
	CASE STUDY	
	<i>New Service Design Experiments at Bank of America</i> 94	
CHAPTER 6	Managing Service Experiences	96
	Experience Economy 96	
	Creating Successful and Satisfying Experiences 99	
	<i>Engagement</i> 99	
	SERVICE OPERATIONS MANAGEMENT PRACTICES	
	<i>Getting the Potatoes Off the Couch</i> 102	
	<i>Context</i> 103	
	<i>Theme</i> 104	
	<i>Learnable and Usable</i> 105	
	<i>Mutable</i> 105	
	<i>Layout</i> 105	
	SERVICE OPERATIONS MANAGEMENT PRACTICES	
	<i>Developing a Theme and Creating Context: Joie de Vivre Approach</i> 106	
	<i>Sensory</i> 107	
	<i>Social Interaction</i> 107	
	<i>Time</i> 108	
	<i>Memorabilia</i> 108	
	<i>Continuity</i> 108	
	<i>Dynamic</i> 108	
	SERVICE OPERATIONS MANAGEMENT PRACTICES	
	<i>Using Time to an Advantage in Cruise Lines</i> 109	
	Evaluating Service Experiences 110	
	<i>Observing the Experiential Environment</i> 110	
	<i>Customers' Personal Documentation of Their Interaction with the Service</i> 110	
	<i>In-Depth Interviews</i> 110	
	<i>Experiential Blueprinting</i> 110	

PY and the Dome
included on the
Student CD.

Summary 112
Review Questions 112
Selected Bibliography 112

CASE STUDY

PY & the Dome 114

CHAPTER 7 The Front-Office, Back-Office Interface 115

SERVICE OPERATIONS MANAGEMENT PRACTICES

The Way-Back, Back Office: Offshoring 116

Current Practice 116

Theory in Services Decoupling 117

Efficiency 118

Worker Personality Type 118

Conformance Quality 118

Linking Decoupling to Service Concept 118

Decoupling and Cost 119

Decoupling and Quality 120

Decoupling and Delivery Speed 120

Decoupling and Flexibility 121

Linking Decoupling and Firm Strategy 121

High Decoupling, Cost Emphasis: Cost Leader 124

Low Decoupling, Cost Emphasis: Cheap Convenience 125

High Decoupling, Service Emphasis: Focused Professional 126

Low Decoupling, Service Emphasis: High Service 127

Operational Implementation 128

Strategic Congruence 128

Back-Office Job Design 129

Implementation Speed 130

Summary 130

Review Questions 131

Selected Bibliography 131

CASE STUDY

The "Future Bank" 132

CHAPTER 8 Offshoring and Outsourcing 134

SERVICE OPERATIONS MANAGEMENT PRACTICES

The Empire Strikes Back 135

Outsourcing 135

Contract Risk 137

Outsource Firm Risk and Pricing Risk 138

Competitive Advantage and Information Privacy Risk 138

Firm Specific Risks 138

Offshoring 139

Quantifying Offshoring 140

Offshoring and Competitive Capabilities: Cost 141

Offshoring and Competitive Capabilities: Non-cost Issues	142
<i>Pro-offshoring Arguments</i>	142
<i>Anti-offshoring Arguments</i>	142
<i>Communication Requirements</i>	143
SERVICE OPERATIONS MANAGEMENT PRACTICES	
<i>Who's Offshoring Where?</i>	144
<i>Cultural Bias</i>	144
<i>Country Risk</i>	145
<i>Cultural Differences</i>	145
<i>Local Knowledge/Tacit Knowledge Requirement</i>	146
<i>Lack of Scale, Seasonality, and New Business</i>	146
<i>Losses Due to Distance</i>	146
The Ethics of Offshoring	146
Implementing Offshore Operations	147
Summary	149
Review Questions	149
Selected Bibliography	149
CASE STUDY	
<i>Offshoring a Call Center for Everdream</i>	151

PART

3

Improving the Delivery System 155

CHAPTER 9 Analyzing Processes 156

The Need for Process Analysis in Services	156
Process Flow Diagrams	159
<i>Use 1: Process Communication</i>	159

SERVICE OPERATIONS MANAGEMENT PRACTICES

<i>Telecommunications Operation Without True Communication</i>	161
<i>Use 2: Focusing Managerial Attention on the Customer</i>	161

SERVICE OPERATIONS MANAGEMENT PRACTICES

<i>Blockbuster Video Links Processes to Profits</i>	164
<i>Use 3: Determining What to Work On and When to Stop</i>	
<i>Improving Process Steps</i>	165

*SimQuick Example
included on the
Student CD.*

Process Simulation	167
Simulation Example with SimQuick	
<i>Steps for Conducting a Simulation Study</i>	168

SERVICE OPERATIONS MANAGEMENT PRACTICES

<i>Example of Data Collection for Snowbird Ski Resort Improvement</i>	170
Manual Simulation Example	172
Summary	176
Review Questions	176
Problems	176
Selected Bibliography	177

CHAPTER 10 Service Quality

178

Why Does Quality Matter?	179
Defining Service Quality	180
<i>Definitions of Service Quality</i>	181
Measuring Service Quality	182
<i>The Malcolm Baldrige National Quality Award</i>	183
<i>The ISO 9000 and ISO 14000 Standards</i>	184
Gaps in Service Quality	185
Service Quality Design	189
Foolproof Service Using Poka-Yoke	189
Measures of Customer Satisfaction	190
Achieving Service Quality	193
<i>Costs of Service Quality</i>	193
SERVICE OPERATIONS MANAGEMENT PRACTICES	
<i>Develop a Culture to Achieve Customer Satisfaction</i>	195
<i>Profits Tied to Quality</i>	195
Developing a Culture of Service Quality	196
<i>Hire the Best</i>	197
<i>Educate and Train Them Well</i>	197
<i>Allow them to Fix Anything</i>	198
<i>Recognize and Reward Them Regularly</i>	198
<i>Tell Them Everything, Every Day</i>	199
Implementing Quality Service	200
<i>Designing Fail-Safing into Service</i>	200
<i>Service Guarantees and Refunds</i>	200
SERVICE OPERATIONS MANAGEMENT PRACTICES	
<i>Keep Those Customers Coming Back!</i>	201
Service Recovery	202
SERVICE OPERATIONS MANAGEMENT PRACTICES	
<i>Empathy + Responsiveness = Quality Service Recovery</i>	204
Summary	205
Review Questions	205
Selected Bibliography	207
CASE STUDY	
<i>The Ritz-Carlton Hotel Company</i>	208

CHAPTER 11 Six Sigma for Service Process Improvement

212

What Causes Most Quality Problems?	212
Variation	214
<i>The Normal Distribution</i>	216
<i>Common Cause and Special Cause Variation</i>	219
<i>One Really Important Property of Standard Deviation</i>	220
Six Sigma	220
<i>Process Capability</i>	221
<i>The Cost of Poor Quality</i>	222
<i>Metrics and Strategic Consistency</i>	224

*Six Sigma Tools
supplemental
material included
on the Student CD.*

D-M-A-I-C	225
So, Is Six Sigma a Fad?	228
Summary	229
Review Questions	229
Selected References	229
CASE STUDY	
<i>ZC Sterling and Six Sigma in Financial Services</i>	230
Six Sigma Tools in Practice	

PART

4

Matching Supply and Demand	233
CHAPTER 12 Yield Management	234
Capacity Strategies	234
Yield Management	236
Overbooking	237
SERVICE OPERATIONS MANAGEMENT PRACTICES	
<i>Yield Management Increases Revenue \$1 Billion/Year at American Airlines</i>	238
Overbooking Approach 1: Using Averages	239
Overbooking Approach 2: Spreadsheet Analysis	239
Overbooking Approach 3: Marginal Cost Approach	241
<i>Dynamic Overbooking</i>	242
Allocating Capacity	242
Capacity Allocation Approach 1: Static Methods: Fixed Number, Fixed Time Rules	244
Capacity Allocation Approach 2: Nested Static Methods	244
Capacity Allocation Approach 3: Dynamic Methods	246
<i>Complexities of Capacity Allocation</i>	247
Pricing	247
Implementation Issues	250
<i>Alienating Customers</i>	250
<i>Customer Class "Cheating"</i>	251
<i>Employee Empowerment</i>	251
<i>Cost and Implementation Time</i>	251
Summary	252
Review Questions	252
Problems	252
Selected Bibliography	254
CASE STUDY	
<i>Yield Management at MotherLand Air</i>	255
CHAPTER 13 Inventory Management in Services	258
Services Versus Manufacturing Inventory	259
<i>Setup/Ordering Costs</i>	259
<i>Number of Products</i>	259

The Psychology of Queuing	287
Summary	290
Review Questions	290
Problems	290
Selected Bibliography	293
CASE STUDY	
<i>Queuing Psychology and the Oregon Department of Motor Vehicles</i>	294
CASE STUDY	
<i>Staffing and Scheduling Bank Branch Tellers</i>	295

PART

5

Tools for Managing Services 297

CHAPTER 15 Real-World Project Management 298

Characteristics of Project Management	298
<i>Unique One-Time Focus</i>	299
<i>Subject to Uncertainties</i>	299
<i>Multiple Stakeholders</i>	299
<i>Finite Lifetime and Limited Resources</i>	299
<i>No Clear Authority</i>	300
Measuring Project Success	300
Qualitative Methods for Achieving Success	302
<i>Living in an Uncertain World</i>	302
<i>Managing Expectations</i>	302
<i>Scope Creep</i>	303
Quantitative Tools and Techniques for Project Management	303
Choosing a Project Network Diagramming Technique	305
Constructing a Project Network	305
Diagramming the Systems Development Project	307
Developing a Project Schedule	308
<i>Computing Earliest Start and Earliest Finish Times</i>	310
<i>Computing Latest Finish and Latest Start Times</i>	311
Probabilistic Project Management	313
<i>Calculating Means and Variances</i>	314
Analyzing Probabilities	315
Making Time, Cost, and Performance Trade-Offs	316
<i>Making Time-Cost Trade-Offs</i>	317
<i>Crashing at Minimum Cost to Achieve a Desired Completion Date</i>	318
<i>Reducing Performance Specifications and Other Alternatives</i>	319
Summary	320
Review Questions	321
Problems	321
CASE STUDY	
<i>The Quick Course Preparation Case</i>	325

CHAPTER 16 Site Selection for Services 328

Types of Service Firms 329
 Demand-Sensitive Services 329
 Delivered Services 329
 Quasi-Manufacturing Services 329
Site Selection for Demand-Sensitive Services 330
 Factor Rating 330
 Regression 332
 Geographic Information Systems 336
 Gravity Model of Demand 337
Site Selection for Delivered Services 340
 Expected Results 342
 Mathematical Solution Methods for Delivered Services 342
Site Selection for Quasi-Manufacturing Services 343
 Mixed Linear/Integer Programming for Location Selection 343
Summary 344
Review Questions 344
Problems 345
Selected Bibliography 347
CASE STUDY
Regression-Based Site Selection at La Quinta Hotels 348

Mathematical solution methods for delivered services material included on the Student CD.

Mixed linear/integer programming for location selection material included on the Student CD.

CHAPTER 17 Advanced Models: Data Envelopment Analysis 356

Characteristics of Evaluation/Benchmarking Systems 358
 System Uses 358
 Common Performance Measures 358
 Common Evaluation Methods 359
Advantages of Data Envelopment Analysis 360
The Concept of DEA 361
Park Cities Bank and Trust: A DEA Example Problem 363
DEA Implementation Problems 365
 Complexity 365
 Size Matters 365
 Ambivalence Regarding Outputs 366
 Spurious Efficiency 366
 Employee Gaming 366
Technical Material on Student CD 366
Summary 367
Review Questions 367
Problems 367
Selected Bibliography 368
CASE STUDY
Branch Performance at Nashville National Bank 369

DEA software information included on the Student CD.

CHAPTER 18	Advanced Models: Scoring Systems	375
	History of Scoring	375
	Scoring in Use Today	376
	SERVICE OPERATIONS MANAGEMENT PRACTICES	
	<i>Scoring Systems Change an Industry</i>	377
	Scoring Methodologies and Implementation	379
	<i>Separating “Good” and “Bad” Customers</i>	379
	<i>Numerical Risk Score</i>	379
	<i>Variables Associated with Good/Bad Results</i>	379
	<i>Developing a Numerical Scorecard</i>	380
	<i>Accept/Solicit/Apply Resources to Customers over the Set Score</i>	383
	Problems with Scoring Systems	383
	<i>Methodological Problems</i>	384
	<i>Implementation Problems</i>	384
	Summary	386
	Review Questions	386
	Problems	386
	Selected Bibliography	387
	CASE STUDY	
	<i>MBA Savings and Loan</i>	388
