contents

part 1

The Role and Value of Marketing Research Information 1

chapter 1

Marketing Research for Managerial Decision Making 2

MARKETING RESEARCH AND DECISION MAKING: IT'S A JEEP THING, YOU WOULDN'T UNDERSTAND 3

Value of Marketing Research Information 4

Relationship Marketing and the Marketing Research Process 5

Relationship Marketing and Customer Relationship Management 6

Marketing Planning and Decision Making 6

Marketing Situation Analysis 8

Market Analysis 8

Market Segmentation 8

Competitive Analysis 9

Marketing Strategy Design 9

Target Marketing 9

Positioning 9

New-Product Planning 10

Marketing Program Development 10

Product Portfolio Analysis 11

Distribution Decisions 11

Pricing Decisions 13

Integrated Marketing Communications 14

Marketing Program Implementation and Control 15

Marketing Program Control 16

Information Analysis 16

The Marketing Research Industry 16

Types of Marketing Research Firms 17

A CLOSER LOOK AT RESEARCH—IN THE FIELD: YAHOO! AND AC NIELSEN: A MARKETING RESEARCH MARRIAGE THROUGH TECHNOLOGY 18

Changing Skills for a Changing Industry 19

Ethics in Marketing Research Practices 20

Unethical Activities by the Client/Research User 20

Unethical Activities by the Research Provider or Research Company 20

Unethical Activities by the Respondent 21

Marketing Research Codes of Ethics 21

Emerging Trends 24

MARKETING RESEARCH IN ACTION: CONTINUING CASE STUDY: THE SANTA FE GRILL MEXICAN RESTAURANT 26

Summary of Learning Objectives 28

Key Terms and Concepts 29

Review Questions 29

Discussion Questions 29

Appendix 1.A: Careers in Marketing Research with a Look at Federal Express 31

Appendix 1.B: Using SPSS with the Santa Fe Grill Database 33

chapter 2

The Marketing Research Process 44

USING THE RESEARCH PROCESS TO ADDRESS MARKETING PROBLEMS, QUESTIONS, AND OPPORTUNITIES 45

Value of the Research Process 46

Changing View of the Marketing Research Process 46

Determining the Need for Information Research 48

A CLOSER LOOK AT RESEARCH—IN THE FIELD: MANAGEMENT DECISION MAKERS AND MARKETING RESEARCHERS 49

Overview of the Information Research Process 52

Transforming Raw Data into Information 53

Interrelatedness of the Steps and the Research Process 55

Phase I: Determine the Information Research Problem 56

Step 1: Identify and Clarify Information Needs 56

**A CLOSER LOOK AT RESEARCH—IN THE FIELD:
“CAN I GET A NEW COKE, PLEASE!” 57**

- Step 2: Specify the Research Questions and Define the Research Problem 60
- Step 3: Confirm Research Objectives and Assess the Value of Information 61

**A CLOSER LOOK AT RESEARCH—SMALL BUSINESS
IMPLICATIONS: FORD FOUNDATION 62**

**Phase II: Select the Appropriate Research
Design 63**

- Step 4: Determine the Research Design and Data Sources 63
- Step 5: Determine the Sample Plan and Sample Size 64
- Step 6: Assess Measurement Issues and Scales 65
- Step 7: Pretest the Questionnaire 66

Phase III: Execute the Research Design 66

- Step 8: Collect and Prepare Data 66
- Step 9: Analyze Data 68
- Step 10: Transform Data Structures into Information 68

Phase IV: Communicate the Research Results 68

- Step 11: Prepare and Present the Final Report to Management 68

Develop an Information Research Proposal 69

**MARKETING RESEARCH IN ACTION: WHAT DOES
AN INFORMATION RESEARCH PROPOSAL LOOK
LIKE? THE JP HOTEL PREFERRED GUEST CARD
INFORMATION RESEARCH PROPOSAL 70**

Summary of Learning Objectives 74

Key Terms and Concepts 75

Review Questions 75

Discussion Questions 76

chapter 3

**Information Management for Marketing
Decisions: Secondary Data Sources 78**

**KNOW YOUR CUSTOMER: MAKING THE MOST OF
AN INFORMATION-RICH ENVIRONMENT 79**

Value of Secondary Data 80

The Nature and Scope of Secondary Data 80

**The Role of Secondary Data in Marketing
Research 81**

- Secondary Data and Customer Relationship Management 81
- Secondary Data Research Tasks and the Marketing Research Process 82

**Use and Evaluation of Secondary Data
Sources 83**

**Traditional Internal Sources of Secondary
Data 85**

- Types of Internal Secondary Data 85

**Using and Extracting External Sources of
Secondary Data 87**

- Planning for the External Secondary Data Search 87

Key Sources of External Secondary Data 88

- North American Industry Classification System (NAICS) 89
- Government Documents 89
- Secondary Sources of Business Information 91

**A CLOSER LOOK AT RESEARCH—IN THE FIELD:
SECONDARY DATA AND THE CRM PROCESS:
PLACING A VALUE ON CUSTOMER
INFORMATION 92**

Syndicated Sources of Secondary Data 96

- Characteristics of Syndicated Data Sources 96

**The Internet as a Growing Source of
Secondary Data 100**

- The Future of Secondary Data Sources 103

**A CLOSER LOOK AT RESEARCH—IN THE FIELD:
COMPUTER TECHNOLOGY AND REAL-TIME
DATA 103**

**MARKETING RESEARCH IN ACTION: CONTINUING
CASE STUDY: SANTA FE GRILL ANTICIPATING
EXPANSION 105**

Summary of Learning Objectives 106

Key Terms and Concepts 107

Review Questions 107

Discussion Questions 107

part 2

**Technology in the Research
Process 109**

chapter 4

**Customer Relationship Management and
the Marketing Research Process 110**

**CUSTOMER RELATIONSHIP MANAGEMENT ALLOWS
CONTINENTAL AIRLINES TO SURVIVE 111**

Value of Customer Relationship Management 112

Essentials of Customer Relationship Management 113

Marketing Research and Customer Relationship Management 115

Transforming Marketing Research into Market Intelligence 116

 Strategic Use of Customer Information 116

A CLOSER LOOK AT RESEARCH—IN THE FIELD: CRM IN THE FINANCIAL SERVICES INDUSTRY 117

 Information Based on a Transactional Focus 117

 Enterprisewide Approach to the Use of Information 118

 Technology Support of the CRM Structure 118

Data Collection in a CRM Environment 118

 Accessing Customer Data over the Internet 118

Marketing Research and Customer Management: The Database Process 120

 What Is a Database? 120

 Purposes of a Customer Database 121

Marketing Research and Data Enhancement 122

 Effective Development of Enhanced Databases 123

The Dynamics of Database Development 124

 Rules of Thumb in Database Development 125

Database Technology 125

What Is Data Warehousing? 128

 Marketing-Related Data and Data Warehousing 129

Data Mining: Transforming Data into Information 130

 The Data-Mining Process 130

Database Modeling 132

A CLOSER LOOK AT RESEARCH—IN THE FIELD: DATABASE AMERICA INTRODUCES SALESLEADS™—FIRST WEB-BASED LEAD-GENERATING SERVICE FOR CONSUMERS AND SMALL BUSINESSES 133

 Scoring Models 134

 Lifetime Value Models 135

MARKETING RESEARCH IN ACTION: THE FUNCTION OF DATABASES WITHIN THE FINANCIAL SERVICES INDUSTRY: LEADING WITH DATA 137

Summary of Learning Objectives 141

Key Terms and Concepts 141

Review Questions 142

Discussion Questions 142

chapter 5

Marketing Decision Support Systems 144

SEARS: CONSOLIDATING DATA FOR REAL-TIME DECISIONS 145

Value of the Marketing Decision Support System 146

CRM and the Marketing Decision Support System 146

The Marketing Decision Support System 147

 A Marketing Decision Support System Diagram 147

 Information Requirements 148

 Environmental Information 149

 Distribution Partners 149

 Business Intelligence 150

 Transactional Data 150

Information Processing and the MDSS 154

 Statistical Software Systems 155

 Managerial Function Software Systems 155

MDSS Models and Output 157

 An MDSS Sales Analysis Output Example 157

 Geographic Information Systems 158

 MDSS Queries as an Output Resource 160

Business Intelligence Programs 160

 Tools and Techniques for Gathering BIP Data 160

MARKETING RESEARCH IN ACTION: GEOGRAPHIC INFORMATION SYSTEM: USING A GIS 162

Summary of Learning Objectives 165

Key Terms and Concepts 165

Review Questions 166

Discussion Questions 166

part 3

Designing the Marketing Research Project 167

chapter 6

Exploratory Designs: In-Depth Interviews and Focus Groups 168

USING FOCUS GROUP INTERVIEWS TO GAIN INSIGHTS INTO BANK CUSTOMER SATISFACTION 169

Value of Qualitative Research Information	170	GLOBAL INSIGHTS: UNDERSTANDING FOCUS GROUP RESEARCH ABROAD	199
Observation and Questioning as Methods of Collecting Primary Data	171	Advancing Technology Moves Focus Groups into the 21st Century	200
An Overview of Qualitative and Quantitative Research Methods	171	Online versus Offline Focus Group Research	200
Quantitative Research Methods	171	Other Qualitative Research Methods	201
When to Use Quantitative Research Methods	173	Case Studies	201
Qualitative Research Methods	173	Experience Interviews	202
When to Use Qualitative Research Methods in Exploratory Designs	174	Protocol Interviews	202
Advantages and Disadvantages of Qualitative Research Methods	174	Articulative Interviews	203
Questioning Techniques in Qualitative Research	175	Projective Interviewing Techniques	204
In-Depth Interviews	176	MARKETING RESEARCH IN ACTION: DESIGNING AND IMPLEMENTING A FOCUS GROUP INTERVIEW: BARNETT BANK CUSTOMER SATISFACTION	207
Skills Required for Conducting In-Depth Interviews	178	Summary of Learning Objectives	214
Advantages of In-Depth Interviews	178	Key Terms and Concepts	215
Disadvantages of In-Depth Interviews	178	Review Questions	215
Steps in Conducting an In-Depth Interview	178	Discussion Questions	216
Focus Group Interviews	180	chapter 7	
Nature of Focus Group Interviews	180	Descriptive Research Designs: Survey Methods and Errors	218
Focus Group Research Objectives	180	THE JP HOTEL PREFERRED GUEST CARD STUDY	219
A CLOSER LOOK AT RESEARCH—IN THE FIELD: DIMENSIONS OF SERVICE QUALITY	182	Value of Descriptive Survey Research Designs	220
Conducting Focus Group Interviews	183	Interrelatedness of Descriptive Research Designs and Survey Research Methods	221
Phase 1: Planning the Focus Group Study	184	Overview of Survey Research Methods	221
Phase 2: Conducting the Focus Group Discussions	189	Advantages of Survey Methods	222
A CLOSER LOOK AT RESEARCH—SMALL BUSINESS IMPLICATIONS: MODERATOR'S GUIDE FOR VAIL PERFORMING ARTS PROGRAM FOCUS GROUP INTERVIEW SESSIONS	191	Disadvantages of Survey Methods	223
Phase 3: Analyzing and Reporting the Results	194	Types of Errors in Survey Methodology	224
Reporting Focus Group Results	194	Sampling Error	224
Format of the Report	195	Systematic Errors (Nonsampling Errors)	224
Advantages of Focus Group Interviews	196	Respondent Errors	226
New Ideas	196	Measurement and Design Error	228
Underlying Reasons of Behavior	197	Faulty Problem Definition Errors	229
Client Participation	197	Researcher's Administrative Error	230
Breadth of Topics Covered	197	Types of Survey Methods	232
Special Market Segments	197	Person-Administered Surveys	233
Disadvantages of Focus Group Interviews	197	Telephone-Administered Surveys	235
Low Generalizability of Results	198	ETHICS—USING TECHNOLOGY: SUGGING IS A FEDERAL OFFENSE	236
Questions of Data Reliability	198	Self-Administered Surveys	241
Subjectivity of Interpretations	198	Online Survey Methods	243
High Cost per Participant	198	A CLOSER LOOK AT RESEARCH—USING TECHNOLOGY: VIRTUAL REALITY IN MARKETING RESEARCH	246

Factors for Selecting the Appropriate Survey Method 248

- Situational Characteristics 249
- Task Characteristics 250
- Respondent Characteristics 251

A CLOSER LOOK AT RESEARCH—SMALL BUSINESS IMPLICATIONS: FARMERS SPEAK THEIR MIND 254
MARKETING RESEARCH IN ACTION: DETERMINING AND PLANNING THE APPROPRIATE SURVEY METHOD: THE JP HOTEL PREFERRED GUEST CARD STUDY 255

- Summary of Learning Objectives 258
- Key Terms and Concepts 259
- Review Questions 259
- Discussion Questions 260

chapter 8

Observation Techniques, Experiments, and Test Markets 262

LEE APPAREL COMPANY: USING TEST MARKETING TO GAUGE NEW-PRODUCT ACCEPTANCE 263

Value of Experimentation and Test Marketing 264
Overview of Observational Techniques 264

- Appropriate Conditions for Using Observational Techniques 265
- Unique Characteristics of Observational Techniques 266
- Selecting the Appropriate Observation Method 270
- The Benefits and Limitations of Observational Techniques 271

ETHICS—MINIMIZING BIAS IN RESEARCH DESIGNS: SUBJECTS' UNAWARENESS CAN RAISE MANY QUESTIONS 272

The Nature of Experimentation 273
Types of Variables Used in Experimental Designs 273

A CLOSER LOOK AT RESEARCH—USING TECHNOLOGY: BEHAVIORSCAN: A DEVICE USED FOR TESTING NEW PRODUCTS AND MARKETING PROGRAMS 274

- The Role of Theory in Experimental Designs 276
- Validity Concerns with Experimental Research Designs 276
- Reliability of Experimental Research Designs 280
- Improving the Internal and External Validity of Experimental Designs 281

Types of Experimental Research Designs 282

- Pre-experimental Designs 283
- True Experimental Designs 284
- Quasi-experimental Designs 286

Field Experiments 288

- Factorial Designs 288
- Latin Square Designs 290
- Considerations in Using Field Experiments 291
- Validity Concerns 291

Test Marketing 291

- Traditional Test Markets 291
- Controlled Test Markets 293
- Electronic Test Markets 294
- Simulated Test Markets 294
- Web-Based TV Test Markets 295
- Virtual Test Markets 296

A CLOSER LOOK AT RESEARCH—IN THE FIELD: GOODYEAR STEPS OUT OF ITS OWN STORES 297

- Other Issues in Test Marketing 297
- MARKETING RESEARCH IN ACTION: RIDERS FITS NEW DATABASE INTO BRAND LAUNCH: THE INITIAL LAUNCH 299**
- Summary of Learning Objectives 301
- Key Terms and Concepts 302
- Review Questions 302
- Discussion Questions 303

part 4

Gathering and Collecting Accurate Data 305

chapter 9

Sampling: Theory and Design 306

SAMPLING DESIGN DECISIONS: AMERICAN AIRLINES 307

Value of Sampling in Marketing Research 308

- Sampling as a Part of the Research Process 308

Overview: The Basics of Sampling Theory 309

- Basic Sampling Terminology 309
- The Main Factors Underlying Sampling Theory 311
- Central Limit Theorem 313
- Theoretical Tools Used to Assess the Quality of Samples 314
- Statistical Precision 314
- Estimated Standard Error 315
- Confidence Interval 316

Probability Sampling and Sample Sizes 317

Sample Size and Small Finite

Populations 319

Nonprobability Sampling and Sample Size 320**A CLOSER LOOK AT RESEARCH—IN THE FIELD:
DANNON YOGURT ELIMINATES THE NEED FOR
COSTLY CUSTOMIZED RANDOM SAMPLING
DESIGNS 321****Sample Size versus Usable Observations 321****MARKETING RESEARCH IN ACTION: SAMPLING
DESIGN DECISIONS IN PROVIDING MEANINGFUL
PRIMARY DATA: AMERICAN AIRLINES 323****Summary of Learning Objectives 325****Key Terms and Concepts 326****Review Questions 326****Discussion Questions 326**

chapter 10

Sampling: Methods and Planning 328**TECHNOLOGY AND SAMPLING PROCEDURES—CAN
THE TWO EVER CO-EXIST? 329****The Value of Sampling Methods in Marketing
Research 330****Types of Probability Sampling Designs 331**

Simple Random Sampling 331

Systematic Random Sampling 333

Stratified Random Sampling 334

Cluster Sampling 336

**ETHICS—SAMPLING METHODS: U.S. CENSUS
BUREAU MISLEADS CONGRESS 337****Types of Nonprobability Sampling Designs 340**

Convenience Sampling 340

Judgment Sampling 340

Quota Sampling 341

Snowball Sampling 342

Determining the Appropriate Sampling Design 342

Research Objectives 342

Degree of Accuracy 342

Resources 343

Time Frame 343

Knowledge of the Target Population 343

Scope of the Research 343

**A CLOSER LOOK AT RESEARCH—USING
TECHNOLOGY: THE INTERNET CAN PROVIDE
INVALUABLE INTELLIGENCE INFORMATION 344**

Statistical Analysis Needs 344

Steps in Developing a Sampling Plan 344

Step 1: Define the Target Population 345

Step 2: Select the Data Collection Method 345

Step 3: Identify the Sampling Frame(s)
Needed 345Step 4: Select the Appropriate Sampling
Method 346Step 5: Determine Necessary Sample Sizes
and Overall Contact Rates 346Step 6: Create an Operating Plan for
Selecting Sampling Units 346

Step 7: Execute the Operational Plan 346

**MARKETING RESEARCH IN ACTION: CONTINUING
CASE STUDY: DEVELOPING A SAMPLING PLAN
FOR A NEW MENU INITIATIVE SURVEY FOR
SANTA FE GRILL 347****Summary of Learning Objectives 348****Key Terms and Concepts 348****Review Questions 349****Discussion Questions 349**

chapter 11

**Overview of Measurement: Construct
Development and Scale
Measurement 350****FAST FOOD, SIDE BY SIDE: A PREDICTION OF
STORE LOCATION AND LOYALTY SUCCESS 351**
**Value of Measurement within Information
Research 352****Overview of the Measurement Process 352**

Construct Development 353

Abstractness of the Construct 354

Determining Dimensionality of the
Construct 354

Assessing Construct Validity 355

Construct Operationalization 356

**A CLOSER LOOK AT RESEARCH—IN THE FIELD:
PROBLEM IN CONSTRUCT DEVELOPMENT 357****Basic Concepts of Scale Measurement 358**Types of Data Collected in Research
Practices 358

The Nature of Scale Measurement 360

Properties of Scale Measurements 360

Basic Levels of Scales 362

Nominal Scales 363

Ordinal Scales 363

True Class Interval Scales 365

Hybrid Ordinally-Interval Scales 365

Ratio Scales 367

**Development and Refinement of Scaling
Measurements 369**

Some Criteria for Scale Development 370
